hours, you are a great person. I'll always remember our classes together with Father Costello last year. You still owe me a favor. The favor is to never forget me. But then again how can you forget me. I'll always remember your laughter. I'm still waiting for you to ask me to stop from that just passed. Better late than ever. Have a great semester.

"HELLS BELLS"

Bell rings.
Students hustle and bustle to get to class.
Tardy bell rings.
Teacher takes roll.
Class begins.
Students are bored. Chit-chat begins.
Teacher yells.
Bell rings.

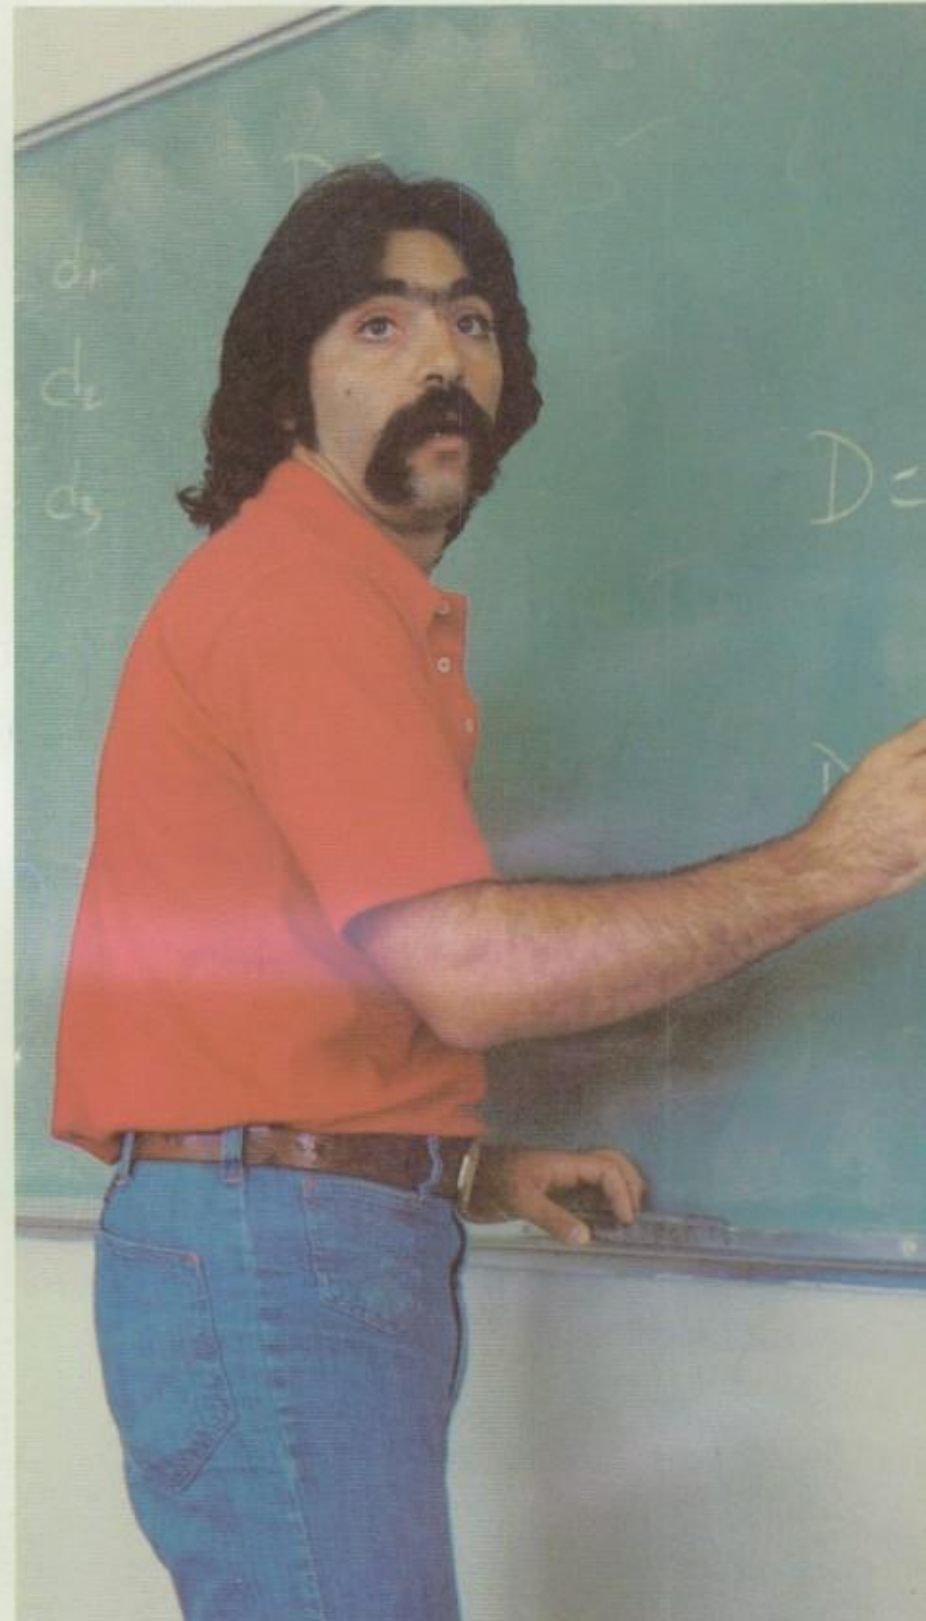

Bell rings.
Lunch time!
Brown baggers and machine buyers are all around.
Students relax.
The sun shines and sea gulls... well, you know.
Time disappears.
Garbage is deposited in trash cans-hopefully.
Bell rings.

By Class Of '78

Bell rings.
Back to class.
Just one more class.
Math is boring.
Love letters and poems are written.
Teacher's slightly raised voice wakes you up.
Time to go.
Bell rings.

Bell rings.
Time to leave.
Time for work or homework or play.
Dinner time!
Date time.
Bed time.
7:00 in the morning. The alarm
Bell Rings.

Thus it was

I am being driven forward
Into an unknown land,
The pass grows steeper,
The air colder and sharper.
A wind from my unknown goal
Stirs the strings
Of expectation.

Still the question:
Shall I ever get there?
There where life resounds,
A clear pure note
In the silence.

The childhood we had just yesterday
Slips from our grasp
As this chapter draws to an end
And a new one begins

Like a butterfly in it's cocoon,
We await the spring,
Ready to fly
To test our wings.

The future, a budding flower
Nourished by hopes and dreams,
Opens before our eyes,
Reveals new possibilities.

PEOPLE & PLACES

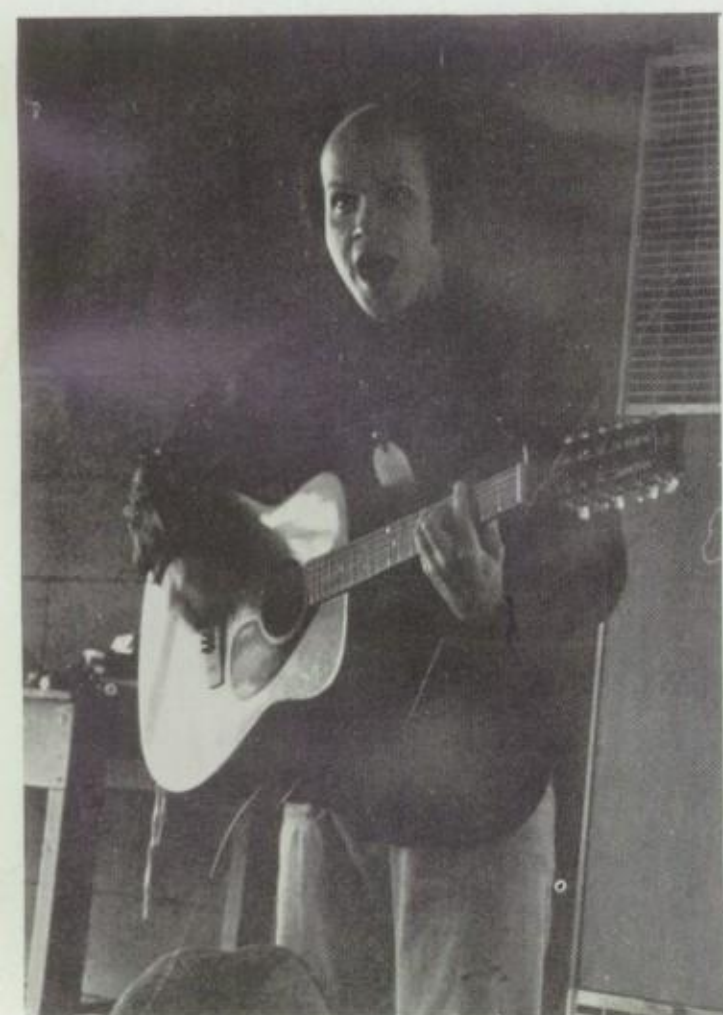

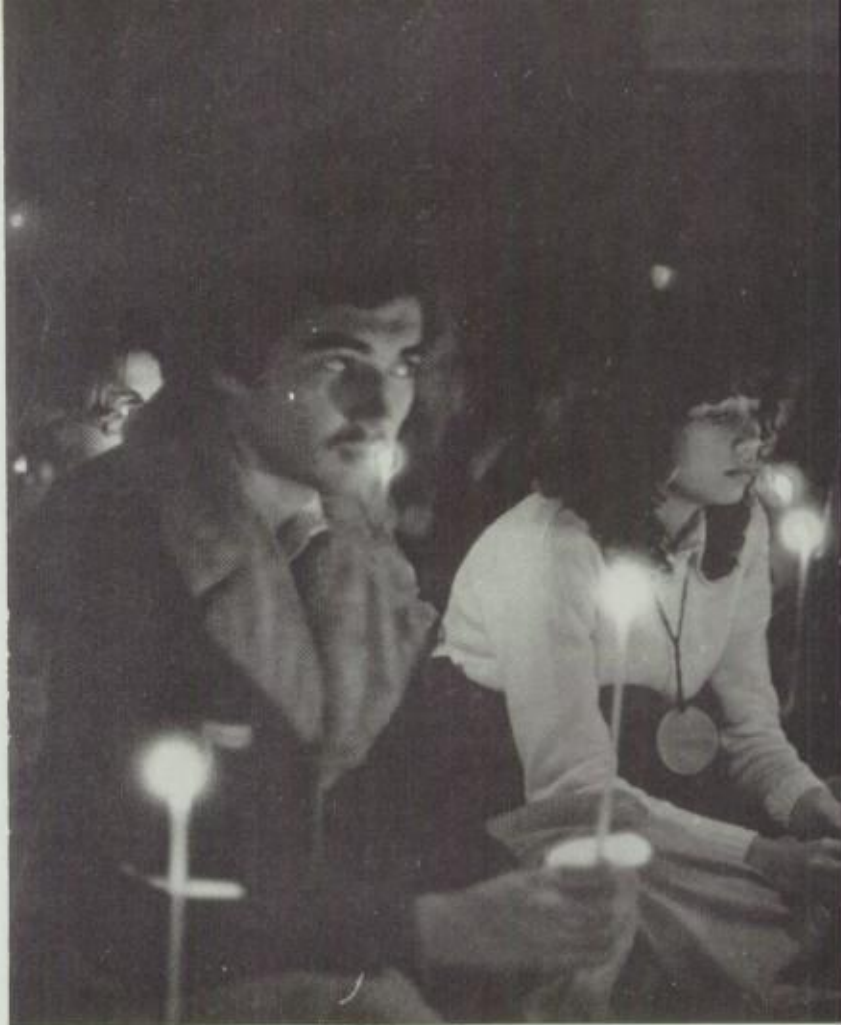

ACTIVITIES

SEARCHES-A SPIRITUAL AWAKENING . . .

The basic format for Uni's Search-Retreat program has been changed this year, but people still come home after the experience feeling better about themselves and God. A Retreat is filled with laughter, love, smiles, and tears. New-found friendships are also a factor of the three days. If any two people tried to describe a Retreat minute-by-minute, there would be two completely different descriptions because everyone has their own interpretation about the three days. It's simply an experience everyone must encounter by themselves for their own personal understanding.

MASSES- A CELEBRATION OF UNITY . . .

About the several Uni masses,
There's not much to explain.
It's similar to going to Church,
But it's simple and it's plain.
There is no choir or fancy pews,
No women singing soprano.
The music's fairly limited
without organ or piano.
What is it then, you ask yourself
About our Uni Mass?
It's sharing and togetherness,
A joining of every class.

UNI PROMOTES INDIVIDUALISM

Invites Bunnies And Ghouls To School.

Were you there
at that school called Uni,
when every single person
dressed up like a goonie?

I think it was a Tuesday,
Yes, October 31,
when people wore some crazy
costumes,
And at lunch, prizes were won.

All of Uni High School
was covered with these creatures.
And it wasn't just the students,
but also Uni's teachers.

Everyone had loads of fun,
on that day of Halloween,
when ghouls, fools, geeks, and freaks,
everywhere could be seen.

Clockwise:
 "Romeo, Romeo, wherefore art thou, Ro-
 meo?"
 "Dig my ankles?"
 I was in the Crest test of 1964 ...
 "It's only Ripple, but I love every drop of it!"

A SOGGY NIGHT FOR VICTORY

Dons Snag Trophy For 4th Consecutive Year.

Devoted football fans were in for a pleasant surprise as they braved the stormy weather to support Uni in this 5th annual Charity Bowl against St. Augustine. The time and energy spent on this event really paid off in an exciting game as the Dons breezed past Saints 14-6, climaxing in an unprecedented touchdown by David Martinez which sent the entire Uni side of Balboa Stadium into a wild frenzy. This is the 4th year in a row that Uni has won the Charity Bowl and kept the trophy in it's possession.

Victorious Dons show off their trophy and their muscles!

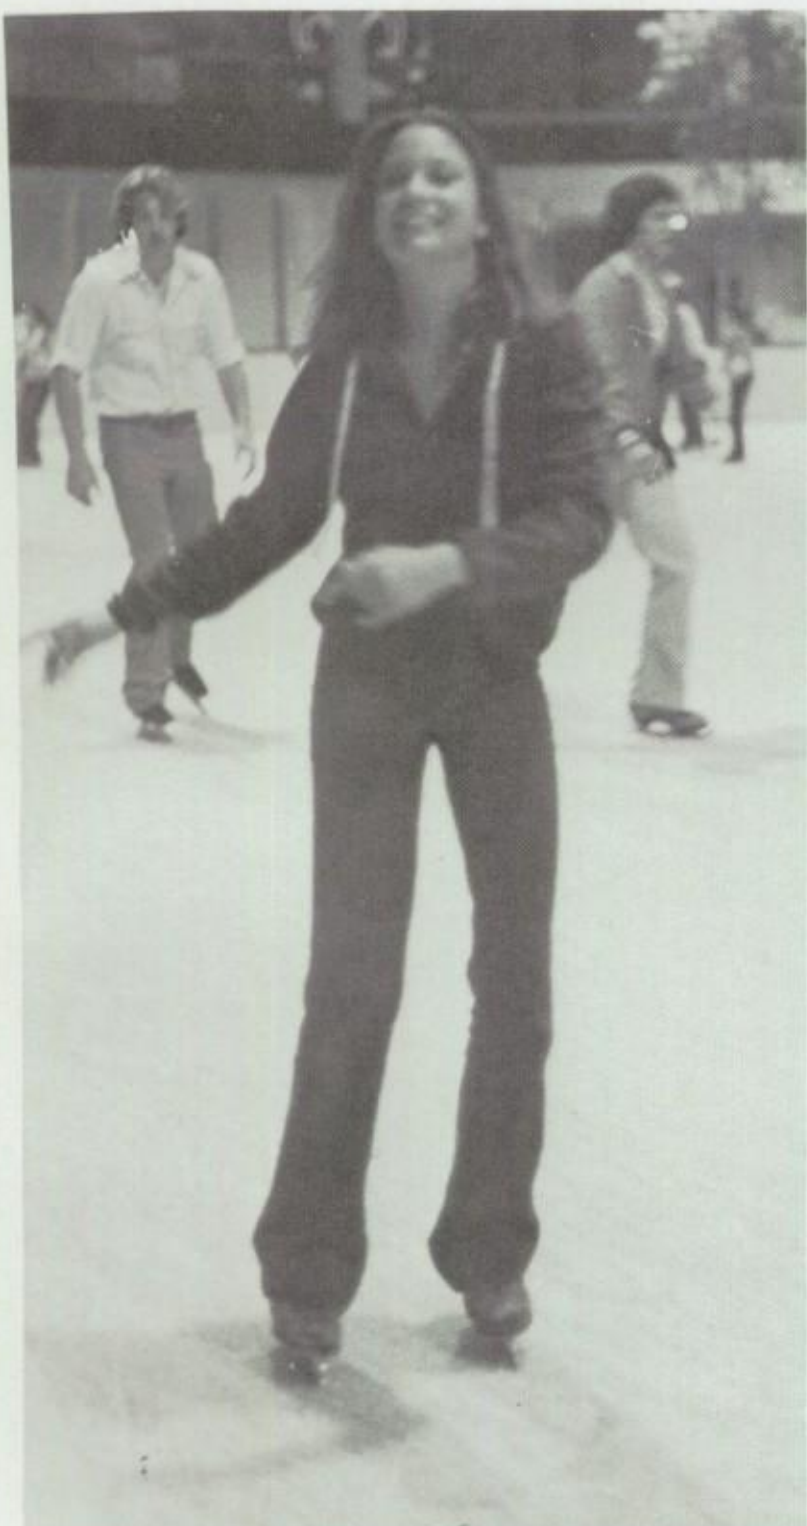

Uni fans cheer their victorious team in a frenzy of bubbles and confetti.

The Dons douse their coach ceremoniously after defeating Saints.

ZOOMING ON ICE . . .

... is what a couple hundred students from Uni were doing one night up at the Ice Capade Chalet at the Towne Center. Of course, there were a few students from other schools that snuck in to enjoy the fun. Those sneaks! They just couldn't resist all the fun that Uni was having up there. You can't blame 'em though. With good music playing, free skates and ice, who could resist? There were all kinds of skaters up there on that beautiful night. There were those who just glided on the ice like pros, those who skated on their stomachs and behinds, then those who skated for the sake of skating. But, whatever type of skater they were, it was enjoyable for Uni, and even those sneaks!

SLAVE DAY . . . highlight of PRESIDIO WEEK '79

This year marked the beginning of a tradition for PRESIDIO. The purpose of PRESIDIO week was to raise money for the yearbook, and get Uni students involved with the annual. Activities ranged from a bake sale to a successful patron drive, but the highlight was the first annual Slave Day. Junior and Senior guys were auctioned off by our own Mr. Crazy Dave Gorsich. His constant jokes kept the crowd in an uproar. The highest bidder became the proud owner of a slave for a day.

JUNIOR RING CEREMONY

THE UNITY OF THE CIRCLE . .

A Special Day for Juniors

Bonded together in growth and love, the Juniors took their first step toward becoming Seniors at this year's Ring Mass. The evening's activities were planned with care, and the Class of '80 was encouraged by onlooking friends and family. . . . A class ring is a permanent and lasting reminder of the years spent together in high school. The Ring Mass symbolizes the growth we have experienced, and the closeness, the bond we share between us all. The Class of '80 exemplified that closeness during the service.

Good luck in the future!

HI-JINX HI-JINX HI-JINX

Whatever happened to "four calling birds, three french hens . . .?!"

"And our next lovely model is wearing . . ."

Was it worth a second chance, Juniors?

HI-JINX HI-JINX HI-JINX

Remember the time we had hi-jinx one week,
When people gave canned goods and gifts wrapped up neat,
For those who weren't able to afford their whole share,
We were saying in our way to people, "We care!"

Remember the actors who kept their cool,
While they performed X-mas plays for the whole school?
And who'll forget when we had to sing songs.
How embarrassing it was when we sang the songs wrong!

Yeah, hi-jinx was great, and hi-jinx was fun,
Hi-jinx had something for ever-y-one!!

“Stepping Out In Style”

3RD ANNUAL FASHION SHOW

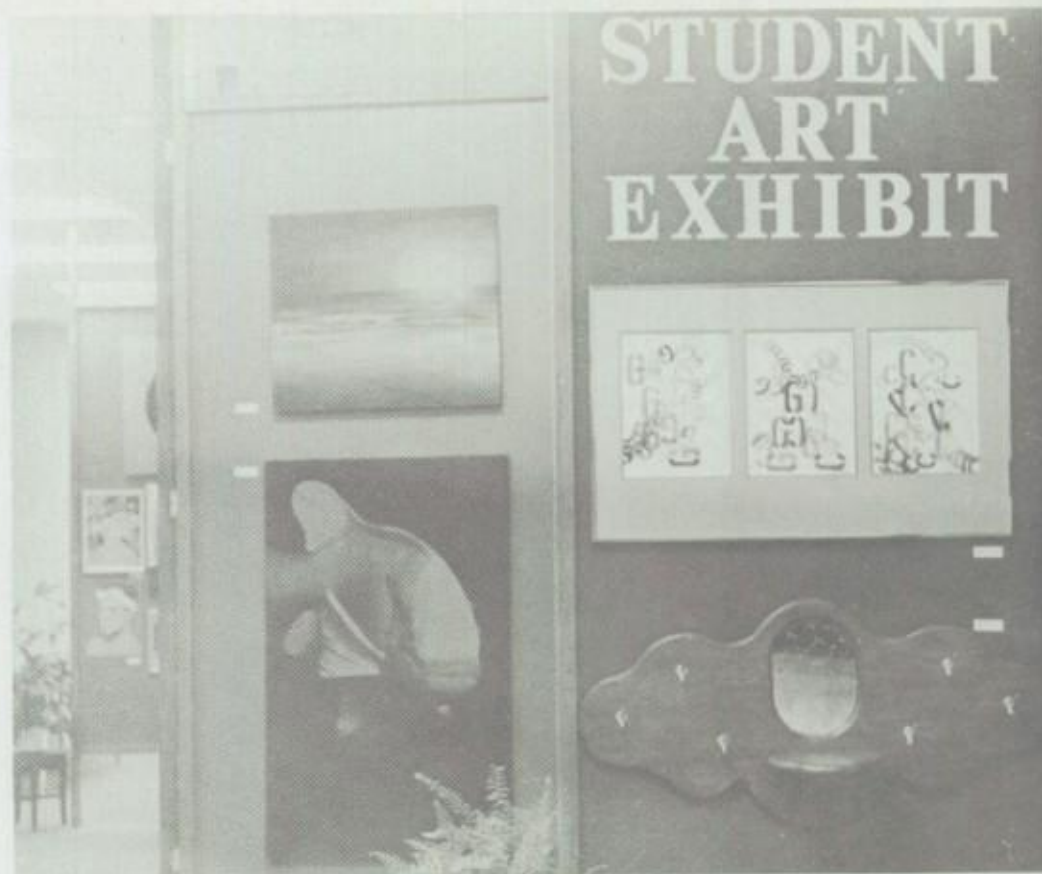

This year's Junior Class Fashion Show offered new highlights not seen in previous shows. Held at the Bahia Hotel, the Bay Room was decorated under the direction of Margaret Cahill. The Fashion Show commenced with a one hour, no-host bar, followed by brunch with entertainment by Barbra Gourley, John Herrero, and Sheila Moran. In keeping with the theme, “Stepping Out In Style”, 24 Juniors modeled clothes from Fashion Conspiracy and Toni Marten's Formal Attire. A special feature of the show was the disco fashions with a dance routine choreographed by Lorelie Fogel. Fabulous door and raffle prizes, organized by Tani Chartier, were given throughout the show. Thanks to everyone involved, especially Show Chairman, Jennifer Butler, the Fashion Show turned out to be a great success.

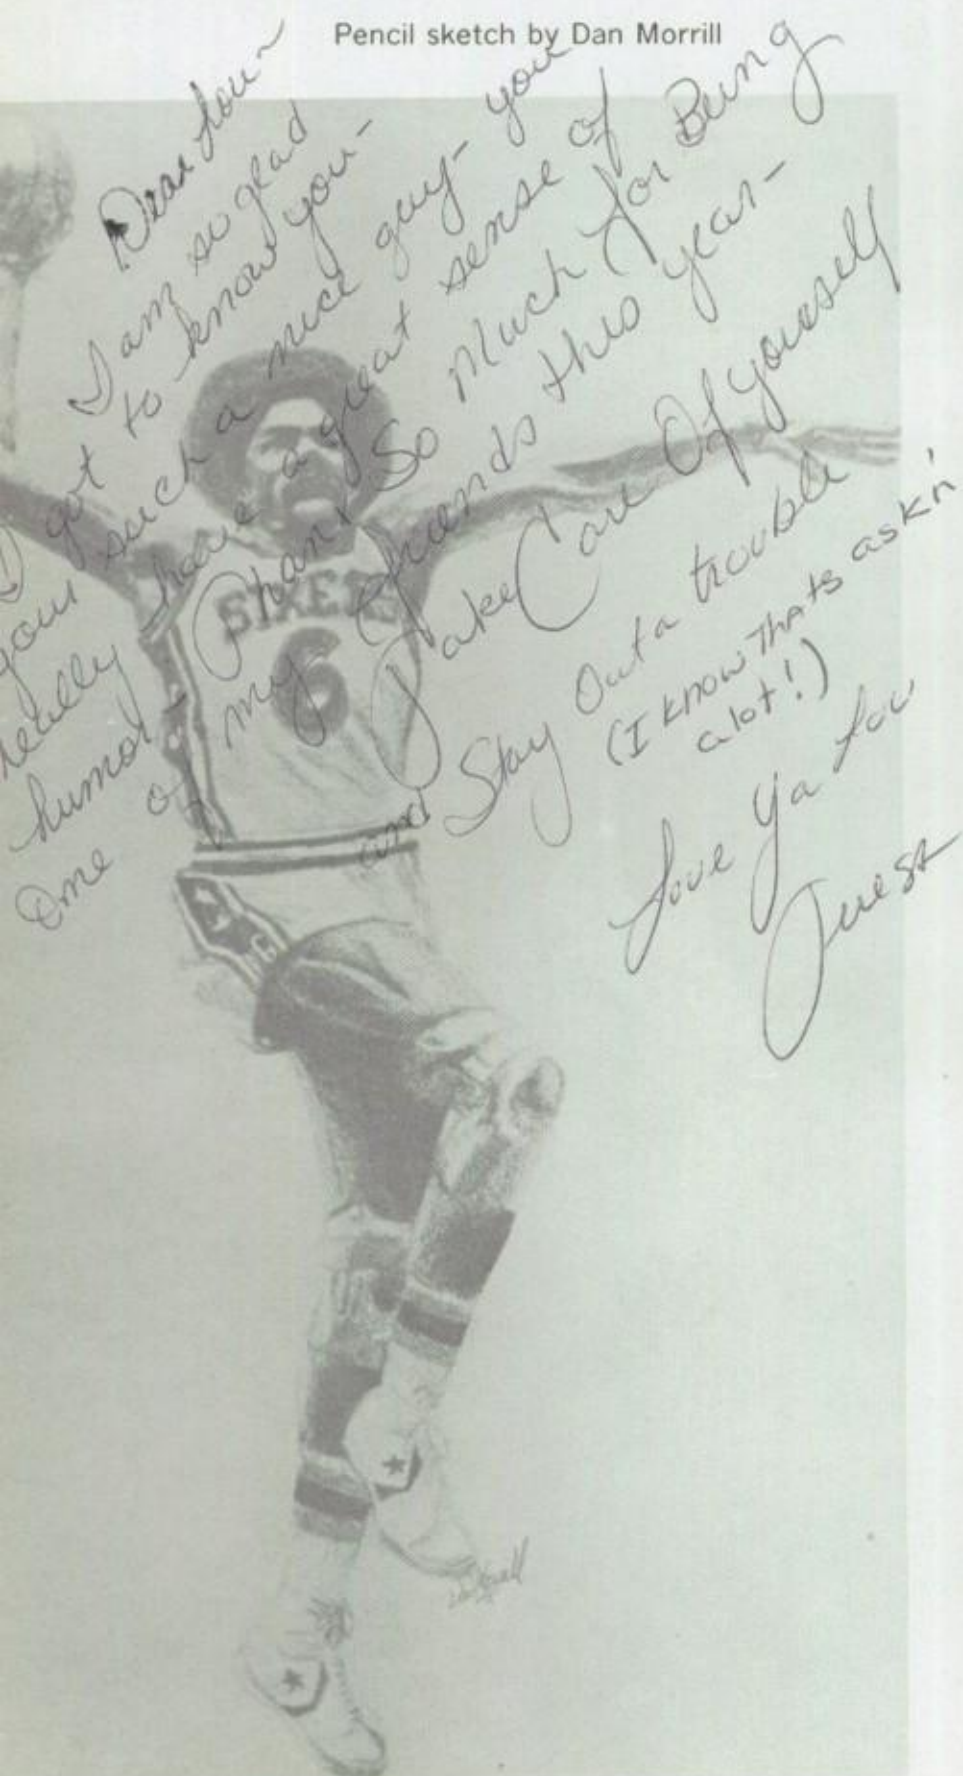

UNI TALENT DISPLAYED

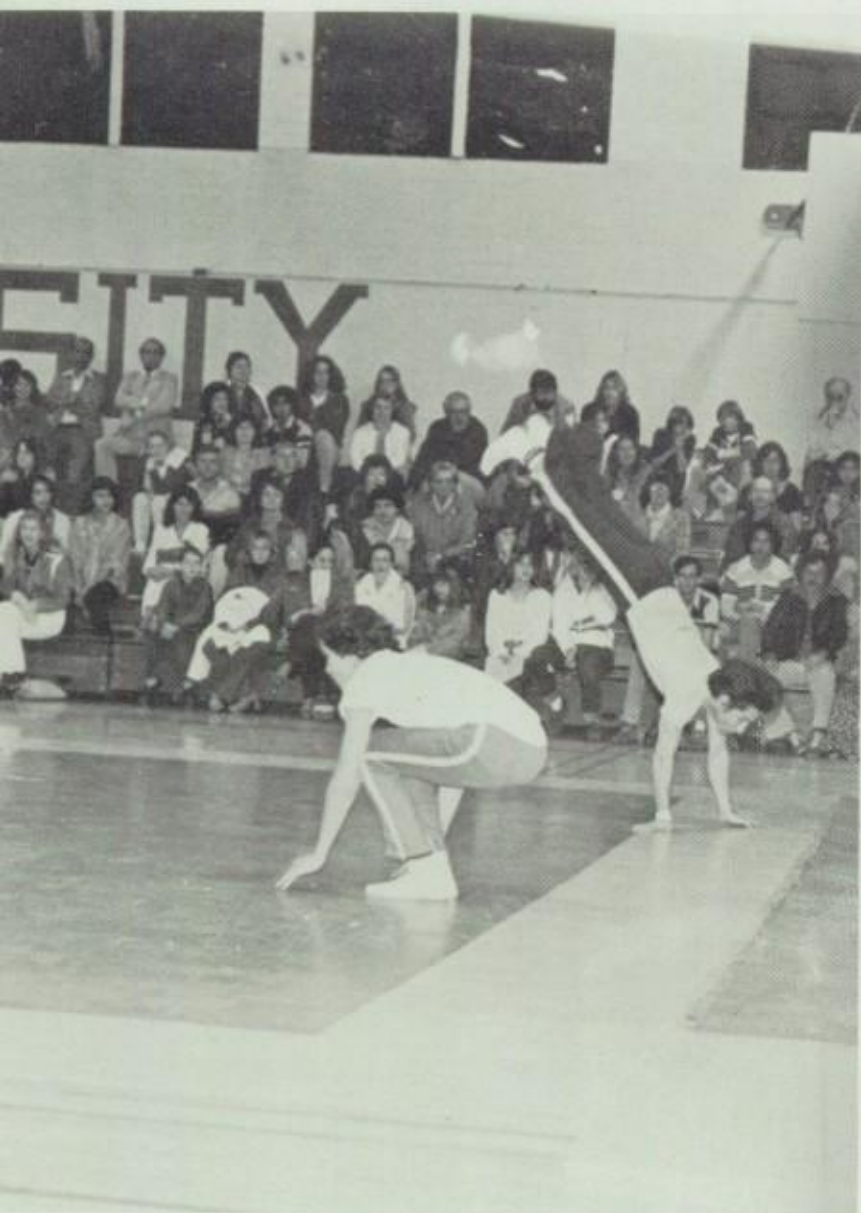

The Student Art Exhibit, co-ordinated by the Art Department and Miss Rosa, displayed the artistic talents of our students. Many mediums were used creatively to express a wide variety of art forms: oils, acrylics, water color, pen and ink, and wood. This was the third and best year, drawing a large, enthusiastic crowd, and support from around the school.

GYMNASTICS AND DANCE REVIEW

The 1979 Gymnastics and Dance Review featured something new and exciting: BOYS! For the first time Uni had a boy's gymnastics class and they participated in the review with tumbling and antics. The girls were up to their usual high standards with gymnastics and dance routines. The time and effort put into the review really paid off.

Below: "50's" was the theme of the dance.

A TURKEYTROT ..?

Intramurals have always made for a change of pace here at Uni. The Boys and Girls Federation Presidents, Bill Thomas and Theresa Fisher, really did a great job this year in putting on the intramural activities. There were the old favorites like volleyball, ping-pong, and basketball, as well as some new ideas like the paper airplane contest, the turkey trot, and over-the-line. The intramurals provided a relaxing atmosphere for students to show their skill in friendly competition.

... And the turkeys are off for a race around the school.

JESTERS-producers of quality plays

The oldest and most active club on campus, the Jesters, was founded in 1957, Uni's first year, by Father Leo Lanphier. It is considered an honor society since thirty two hours of service in a production is necessary for membership. Jesters produces four plays annually in addition to sponsoring other social events. For its members the highlight is the Annual Awards Dinner at the University Club.

JESTERS: Standing: Diane Clark, *Nanette Butler, *Theresa Weiss, *Julie Wagner, *Kathy Otto, *Brian Bouterie, Kevin Sheble, *Stacie Brentano, Brant Davis, *Jimmy Parker, *Jay Kennedy, *David Zepf, Mike Lupetris, Sitting: *Vicki Salazar, Colleen Doyle, *Ingrid Innecken, *Chuck McCue, *Lee Selis, Amy Johnson, *Chris Miske, Joe Cornicelli, *Anne Jurek, *John Herrero, *Dennis Wright, Ray Hart, Jessica Watson.

AGATHA CHRISTIE'S
"TEN LITTLE INDIANS"

John Herrero as the "Judge".

This Agatha Christie mystery was the first play of the '78-'79 season. It was filled with thrills and fine characterization, especially those of: "Judge" John Herrero; So. African adventurer-detective, Chuck "Blore" McCue; and, the high-powered dramatic duo, Lee Selis and Chris Miske. Brian Bouterie, Ingrid Inneken, Kenny "Doc" Wagner, Judy Oishei, and Eva De Meyer competently completed the cast. It was a decided hit that called for more of the same.

Kenny "Doc" Wagner makes his move as Chris Miske looks on.

HARRY SEGAL'S
"HEAVEN CAN WAIT"

"Williams" does his best to explain.

Healthy laughter filled the four nights of HEAVEN CAN WAIT, by Harry Segall. Comments from the crowd classed this Jester production ahead of Warren Beatty's current screen hit. The cast included: Chuck "Joe Pendleton" McCue; John "Mr. Jordan" Herrero; Kenny "Max" Levine; and Lee "Julia" Selis, with Brian "Tony" Bouterie as her sinister accomplice. Together, they entranced every enthusiastic audience. Special effects provided by Wright, Hart, and Cadill Co. added much to the fantasy mood.

The light crew put on a shining performance.

The sophisticated "Julia" pleads for support.

NORMAN KRASNA'S "DEAR RUTH"

Another success at the "Little Theatre-on-Campus" was Norman Krasna's hit DEAR RUTH. The delightfully romantic comedy kept Uni fans lined up at the box-office. The cast included: Jeanne "Dora" Beeson, Kathy "Edith" Schorr, Michelle "Miriam" Corriea, Chuck "Judge" McCue, Chris "Lt. Seawright" Miske, James "Albert" Parker, and Lee "Ruth" Selis. There was also a special cameo appearance by Ken Wagner, as Harold Klobbermeyer, and the singing debut of Witney Witteman as the Western Union Messenger.

"Salud!"

"I've memorized every one of your letters."

"I Love You Truly..."

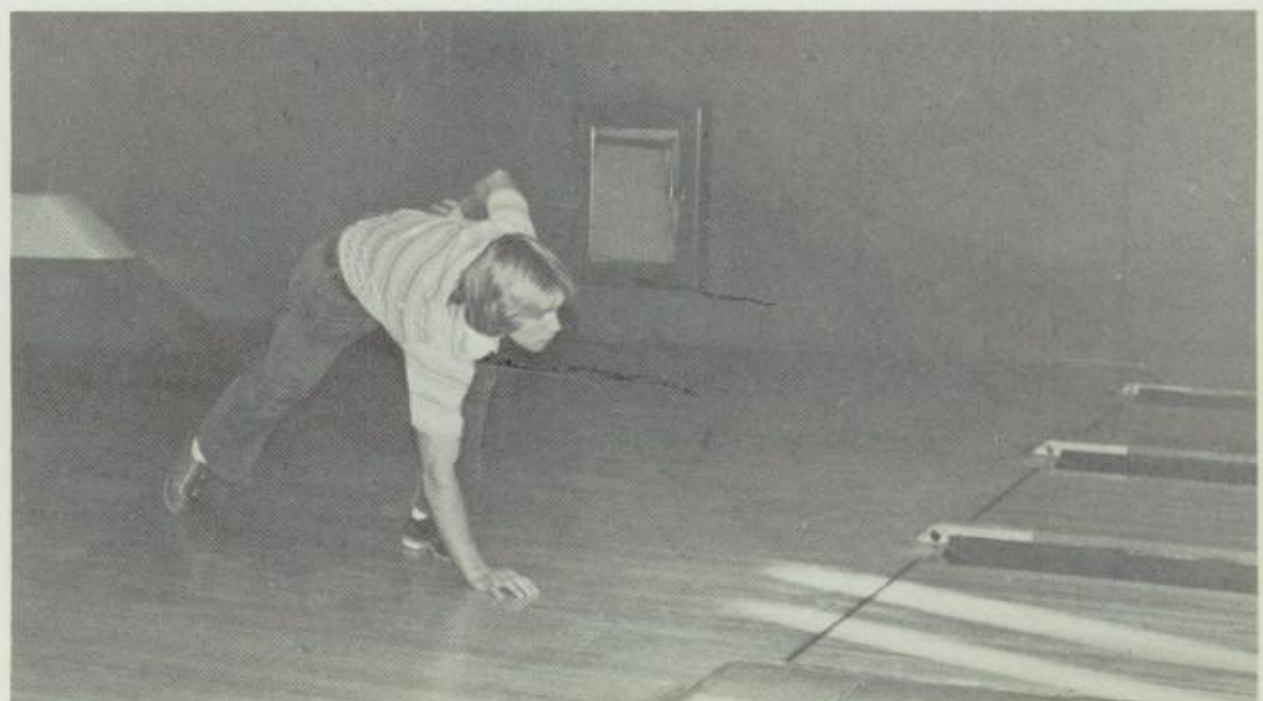

"I'm too young to be a grandmother."

Pep Club is just another name for real school spirit. They are the group who is there to support the teams and the school. The posters, signs, pom poms, buttons, and their just being there is all a part of their job. They are Uni's main branch, spreading leaves of joy and fun to crowds at the games, and Uni is the root of their job. So everyone—let's get rowdy!

WILDLIFE RESCUE CLUB

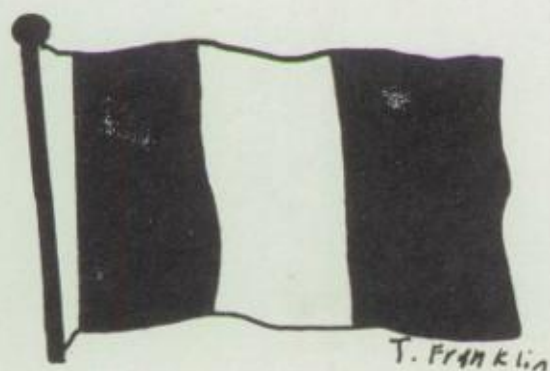

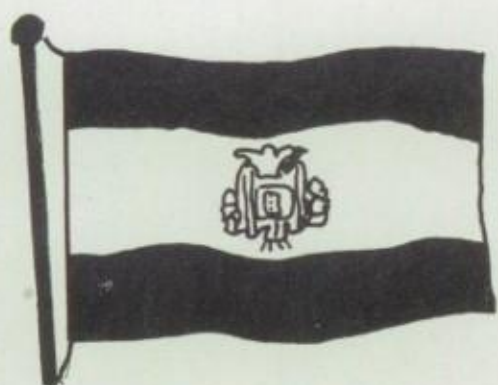

...and over here is the Wildlife Club... "Wildlife Club? What Wildlife Club?" you might ask. It all started when 5 Uni students decided to form a club that would care for injured wild animals. They got permission from the S.D. WLC to start their own club at Uni. Wild animals of the San Diego area such as possums, raccoons, bobcats, and foxes are brought in and taken care of. The WLC meets once a week at Uni and occasionally at the main base in Poway.

COMPUTATIONS; ACTIVE FIGURES

This year the Math Club is booming. The students themselves gave lectures and demonstrations to each other as well as competing with other schools' students. They have plans on entering 6 competitions in the California Math League this season, and 3 in the spring at various colleges. They have also sponsored a Math Field Day for elementary schools.

Strike!!!

This year, the bowling club encouraged Uni bowlers of all skill levels to come out and bowl. The club met at Frontier Lanes every Wednesday and everyone got to bowl. Teams were set up and the competition was without pressure from fellow club members. The club under the guidance of Mrs. Erickson, also plans a banquet for the end of the year.

RACQUETBALL CLUB

The Racquetball Club had an air of easiness this year. The members of the club met once a week and even held small, friendly tournaments among themselves.... In the words of the moderator, Mr. Ariaza, "It's more or less a casual thing. We get together, play racquetball, and just have fun."

THE SILENT KINGDOM

In a silent kingdom of royalty,
On a common battlefield four kings fight.
And Queens to their Kings sit with loyalty,
While the Jacks bow down low to their plight.
The Aces of four are mightily high,
With bright red hearts and diamonds forever.
And while laughing jokers at their feet lie,
Black spades and clubs play ever so clever.
What silly rules to the games they have raised,
Using numbered knaves to do their small deeds.
And such startegies involved; I'm amazed!
Oh, such is the life and such are their needs.
And sometimes great welath these silly games bring,
But never great wealth to the silent King.

El Cid

Don of Dons

El Cid is the student newspaper at Uni. The paper is controlled by a very dedicated staff and their first year advisor, Tom Minor. Throughout the past school year, the newspaper has tried to turn out a quality paper with each edition. Long hours of hard work are paid off with a sense of accomplishment. El Cid is led by its "par excellence" Editor-in-chief, Mark Mackenzie. The team roster was filled by such notables as Frank "Zappa" Reichert in Sports, John "Owes Frank Money" Raggio in News, Barb "No Write Editorial" Gourley, Opinion Editor, "Mountaineer" Devenyns in Features, Norm "No Page" Misleh, Jay "What's a Photo" Kennedy, and David "Cartoon" Zepf.

From left to right: Wenonah Paras, Lorelei Fogel, Layout Editor Chiarme Paras, Michelle Chartier. Not pictured: Jessica Piccini, Jennie Ralph, Angie Rodil, Barbara Mascarenas.

Well Uni, this is Presidio '79. It is a product of hours of grueling and time-consuming work: staying after school, working holidays and struggling to meet deadlines. We wanted to bring you a quality yearbook to treasure for years to come, chances to smile and remember old faces, or maybe just a place to press flowers. Was it worth it? We think so!

Our business staff has the responsibility of selling advertising space. This year they also took care of the baby pictures and messages found in the last pages of the book. From left to right Editor Cathy Fenech, James Dalessio, and Maura Fleming.

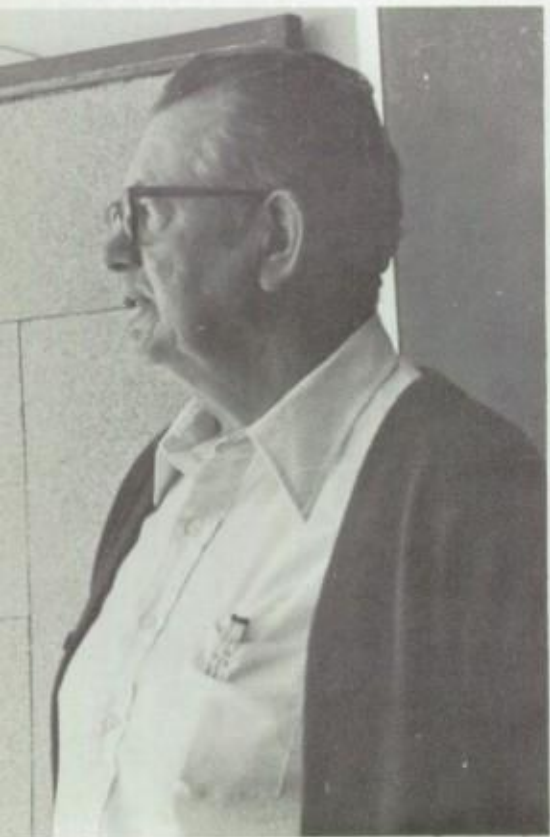

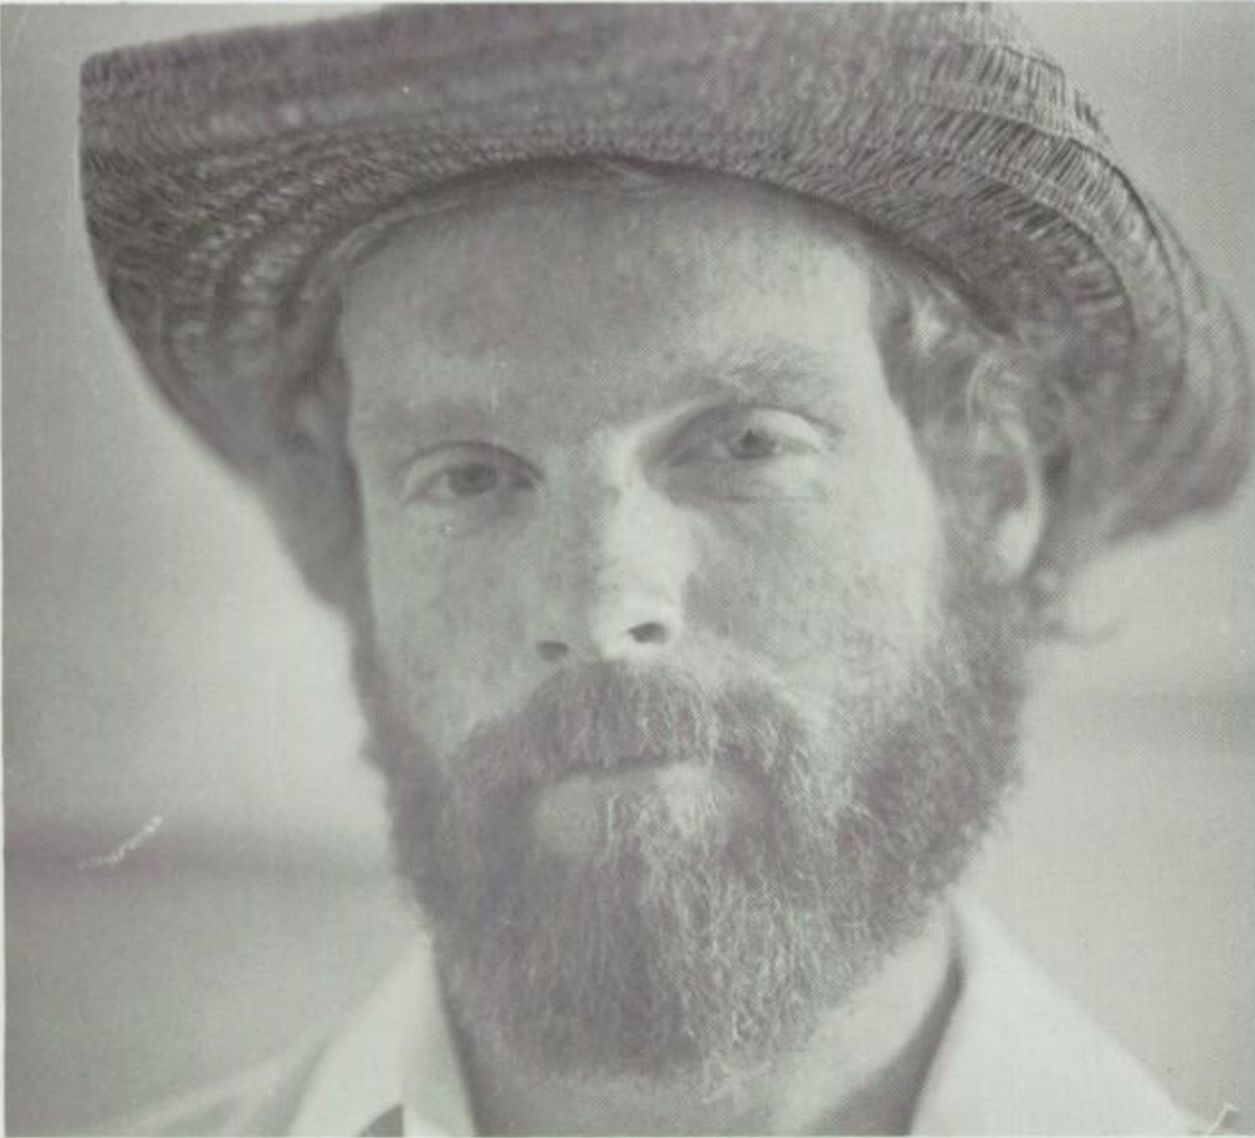

The buck stops here. Moderator Mrs. Kelleher and co-editors Chiarme Paras and Jennie Ralph are the ones who take the final responsibility for getting everything together and to the press.

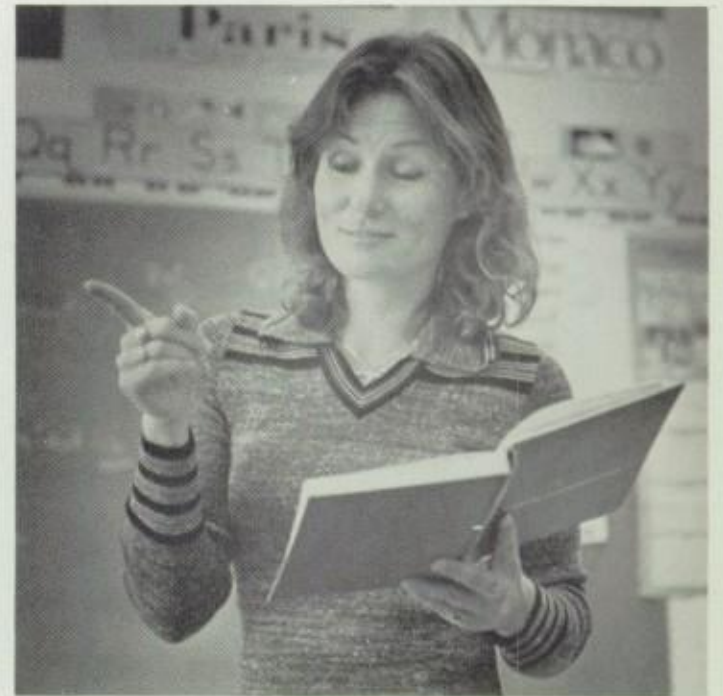

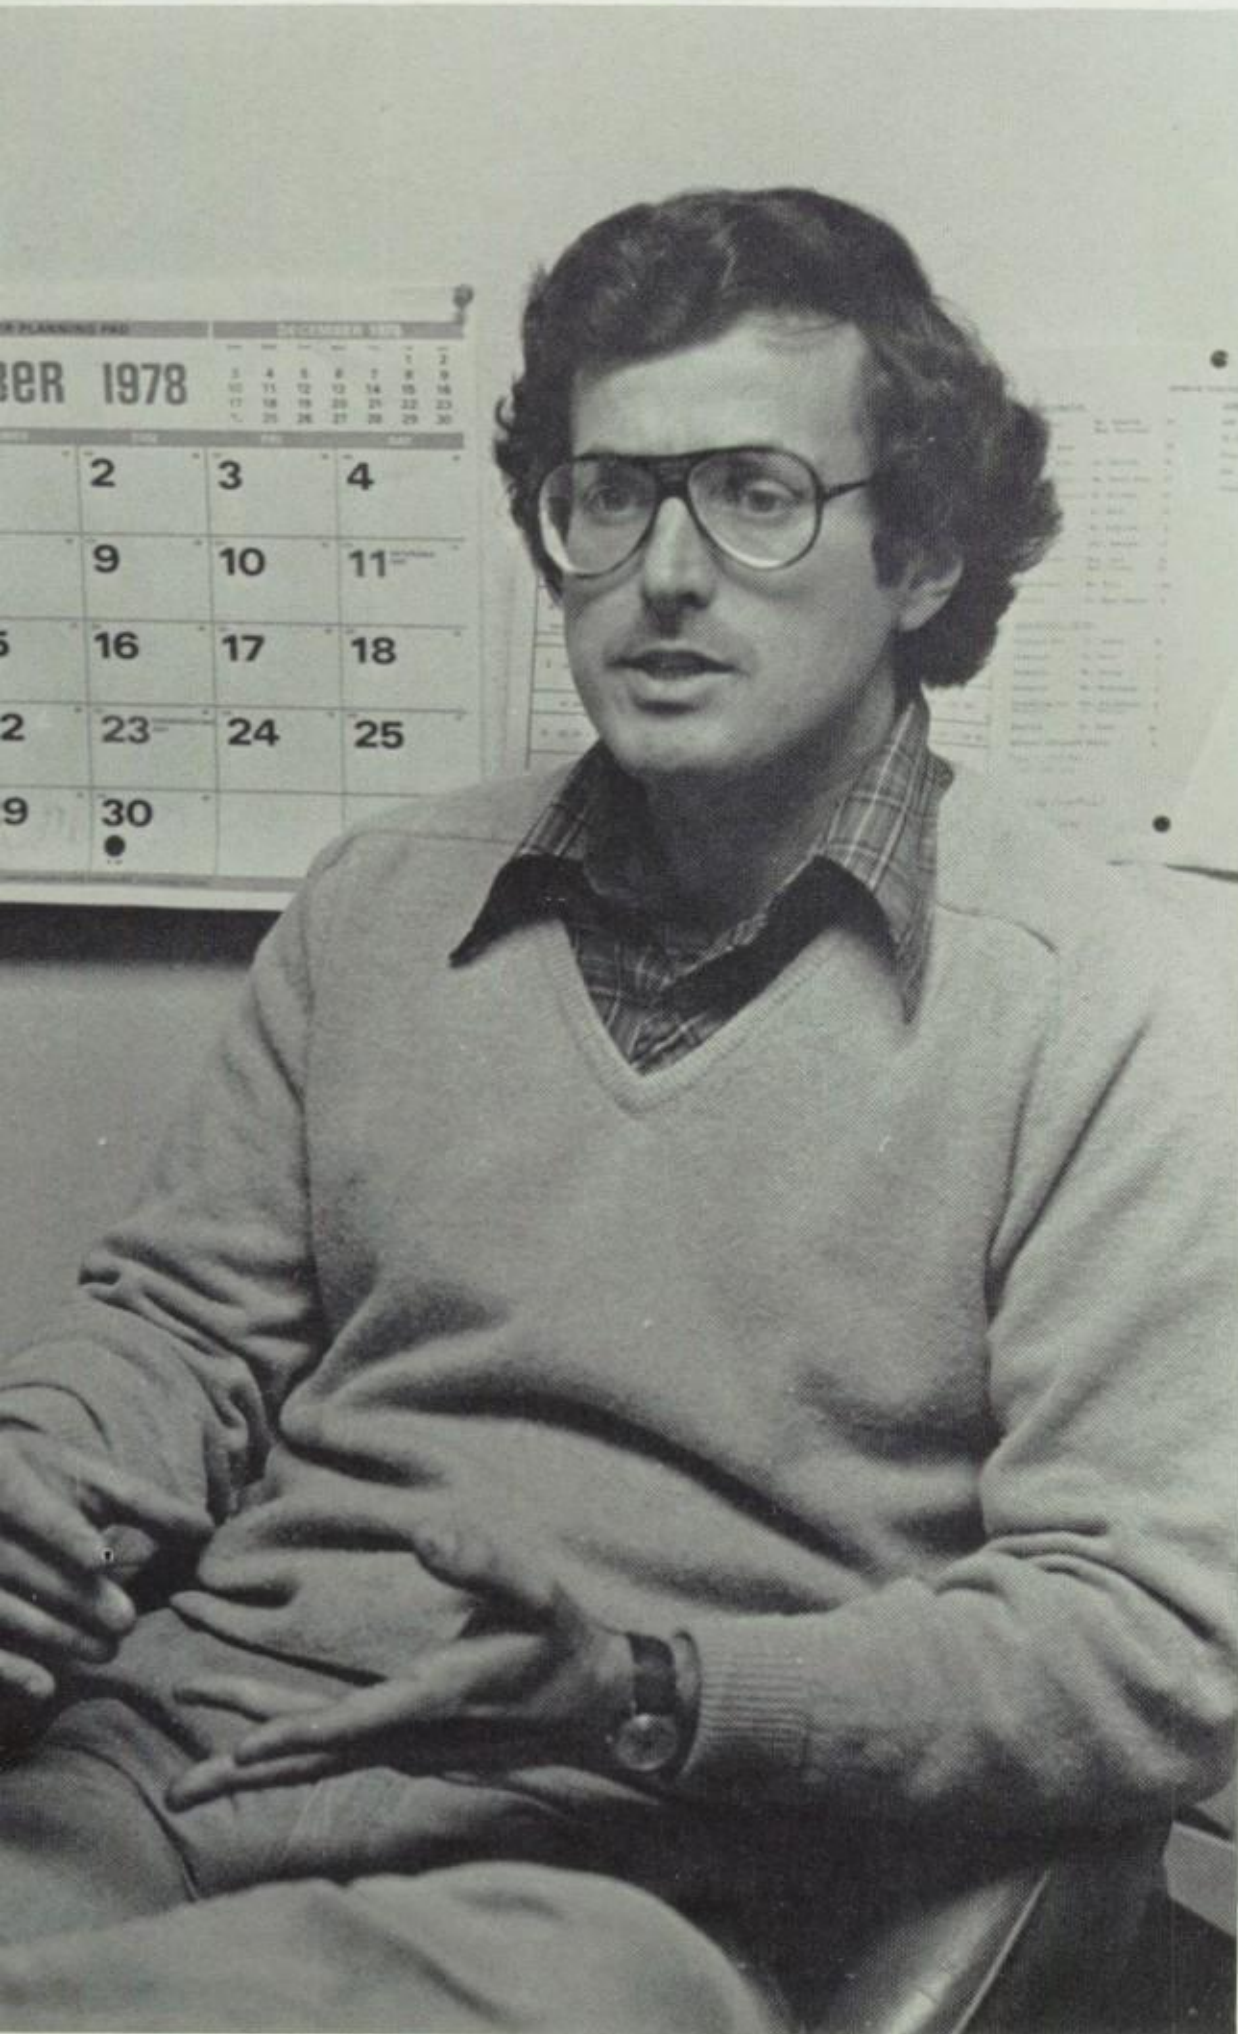

Our sports staff takes a break from layout designs, sports stats, and team pictures. Left to right: Sports Editor Rich Simonis, and Jennie Ralph.

Presidio '79 extends special thanks to Victor Avila, Barbara McLarney, and the whole studio, Robert Manderfeld for pictures, Mrs. Hammond and all other typists, John Fanciullo and Ken Smith for lettering and posters, assorted Uni art students, Mr. Gorsich for his appearance at Slave Day and all the many more who gave us their time and support.

FACULTY

ADMINISTRATION & STAFF

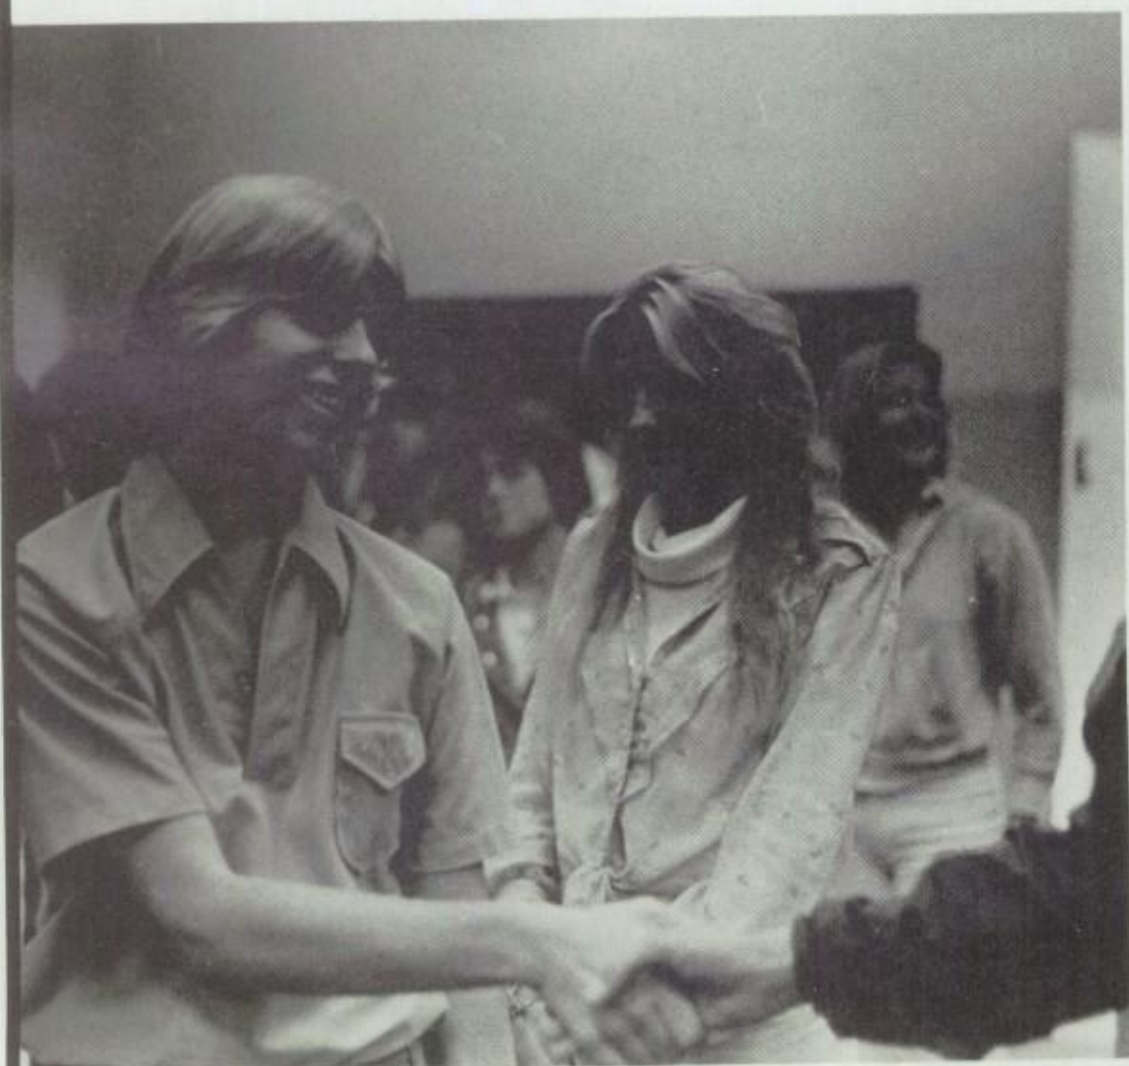

BISHOP LEO T. MAHER

AUX. BISHOP GILBERT CHAVEZ

"I go to Uni because religion here makes the school different. Religion at Uni is not displayed by many students and faculty going to Mass every day. It is, instead, shown by every student and every faculty member going out of his way to be friendly and helpful to others. The big difference is that Uni is not just a school. It's not even a place but an experience and a feeling that we will remember forever. I've had a good time. THANKS UNI!"

The Administration... they have the singular problem of bringing everything at Uni together. All it takes is a little bit of foresight and planning, concentration, tenacity, diplomacy, efficiency and a lot of patience. This year has been as challenging as any. The most notable problem was the massive changes in the physical grounds. We all came to prefer dry dirt over very wet mud and the tranquility of classes without the roar of steel monsters blasting away. Through this and more our administrators maintained. We all thank them for another year of delicate balance.

IDEAS & CHALLENGES

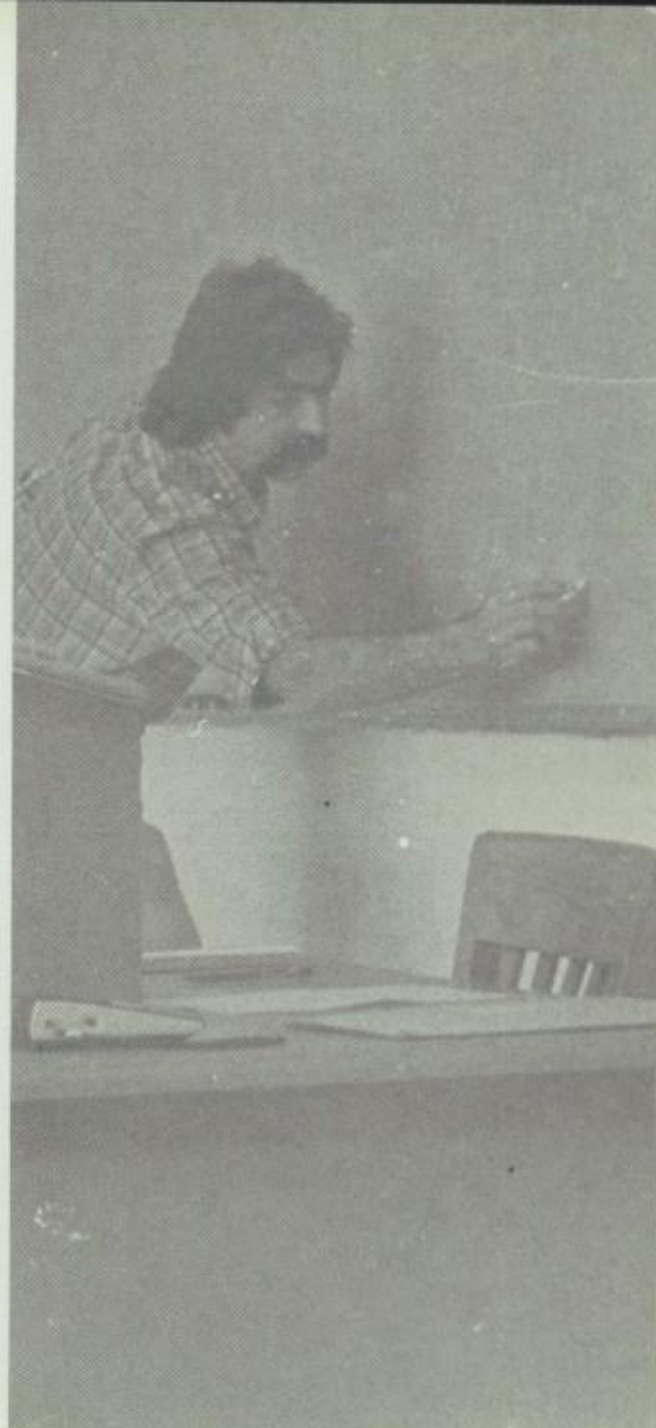

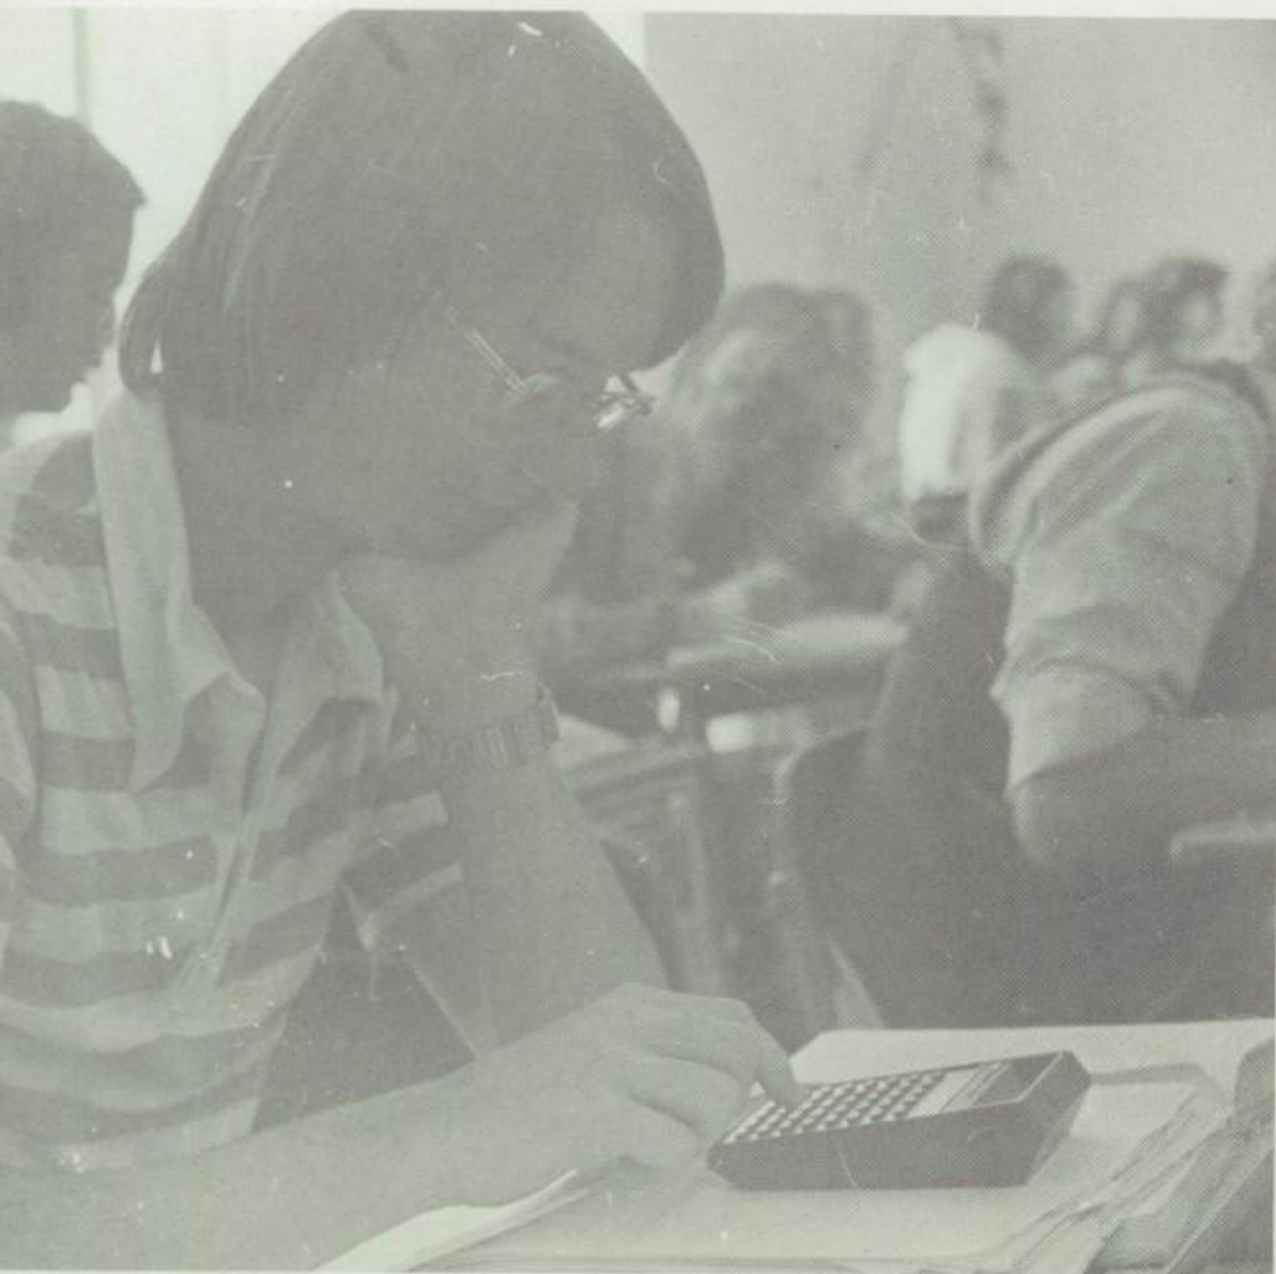

The religion department does not stop with just taking four years of religion classes. The Search Program and special religious activities throughout the year are all a part of the department. In class, religion has also taken a different approach. The emphasis is on helping students through a free exchange of issues and problems during class. Students are encouraged to have a positive attitude toward religion and to see it as part of everyday life.

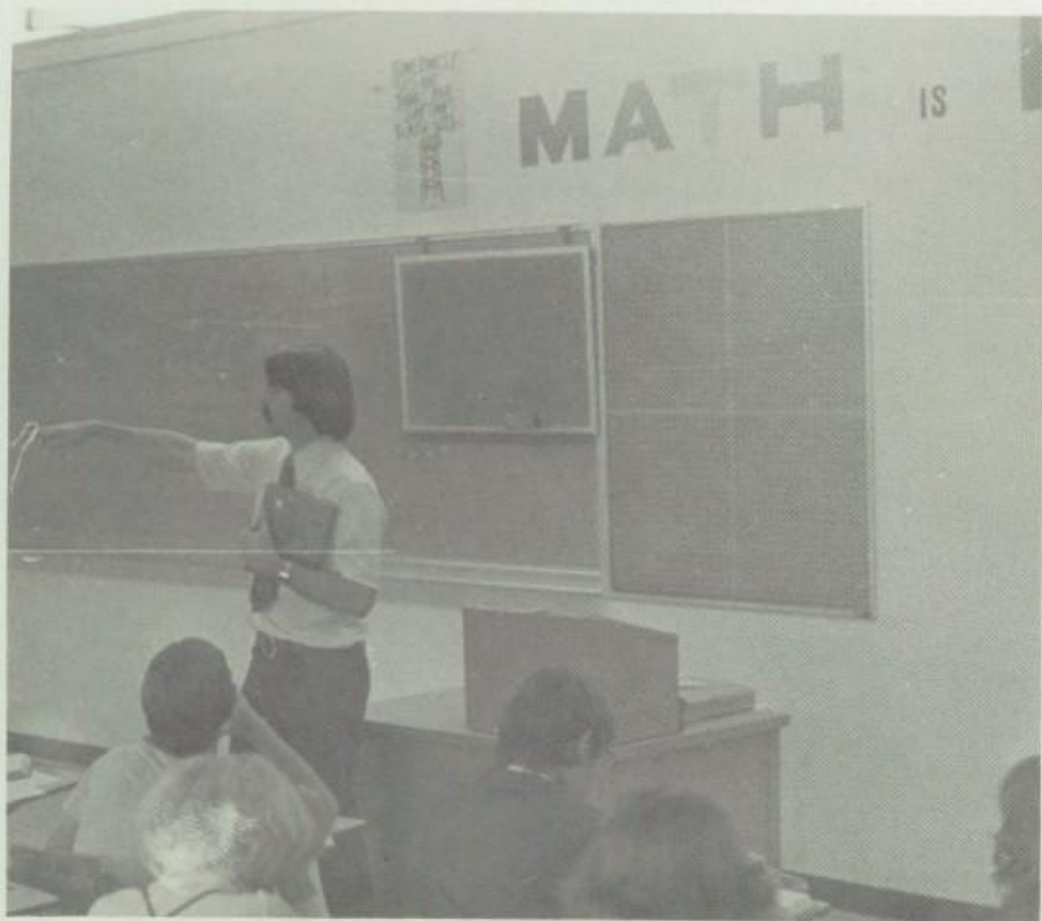

RELIGION DEPARTMENT

MATH DEPARTMENT

"Like my new chalk?"

Mr. Thomson, Math Chairman, is pleased that both teachers and students are working hard in Math. Fine new teachers, plus the great "old" ones tailor to every student's needs. Everything from proficiency math to advanced calculus is available to make the department stronger than last year.

Included in the changes planned for this year is an evaluation of the honors program grading system.

ENGLISH DEPARTMENT

Through hours of students' and teachers' working together, this year's English Department stressed the basics of writing. This goal was carried out by writing labs and expository writing classes.

For the more adventurous spirits there were Nobel Authors or San Diego Theatre classes, all requiring creative expression and, of course, effort.

They should make more books like this.

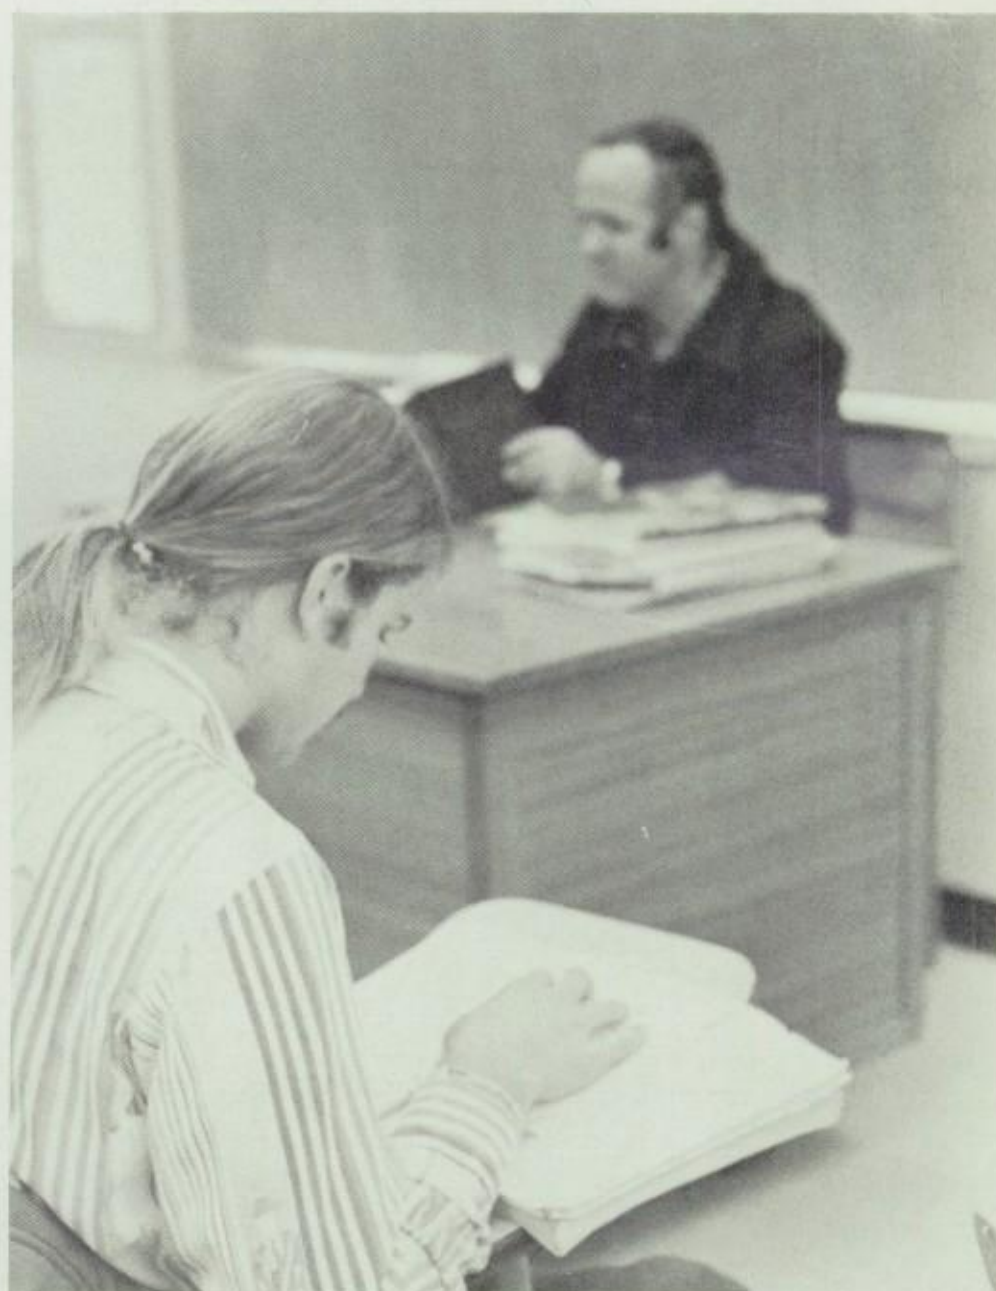

The Foreign Language Department boggled its students' minds with an array of nouns and verbs. Films, food and field trips added versatility to the classes, mispronunciations added humor, and teachers' dedication added warmth.

¡¡Silencia por favor!!

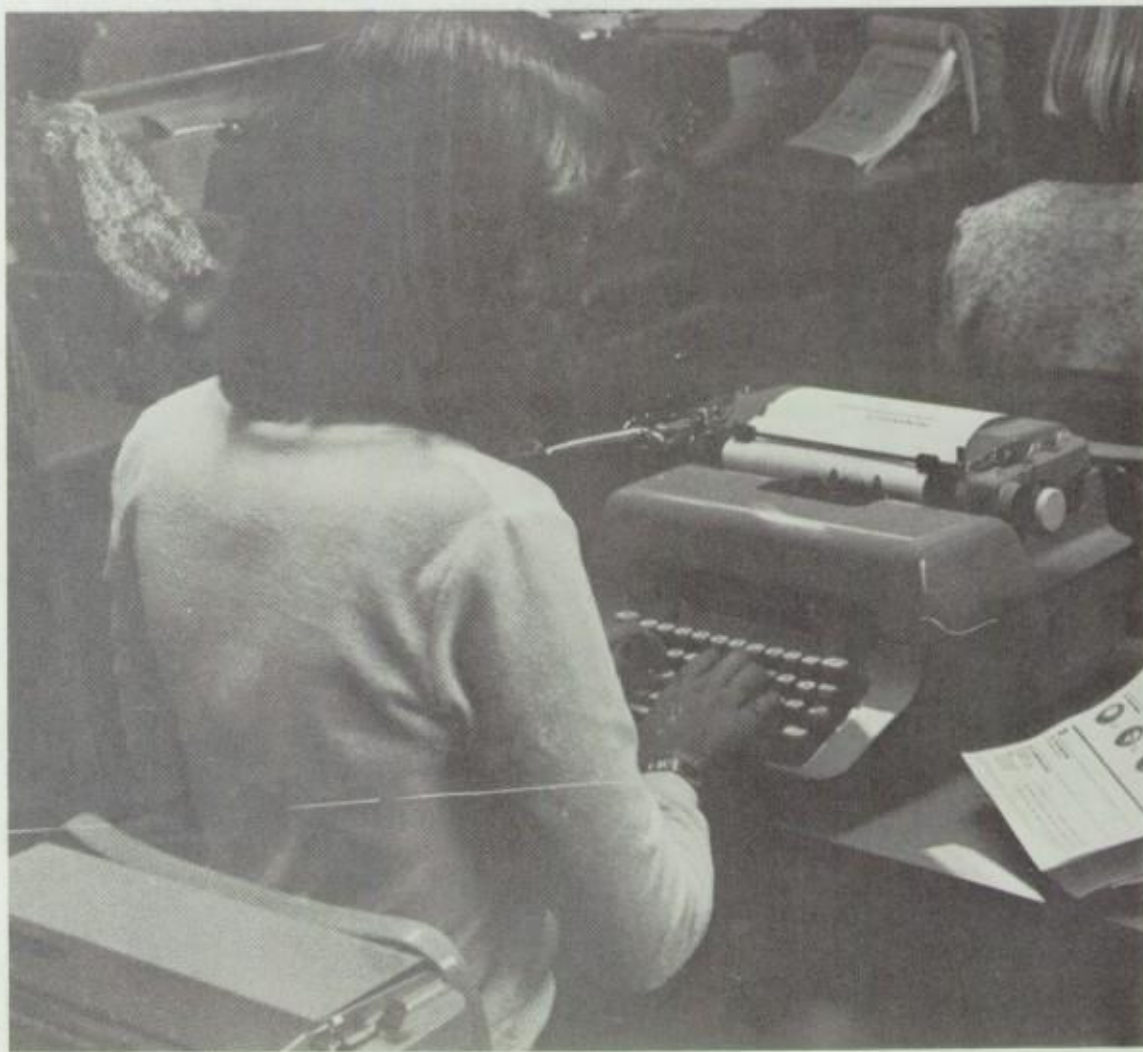

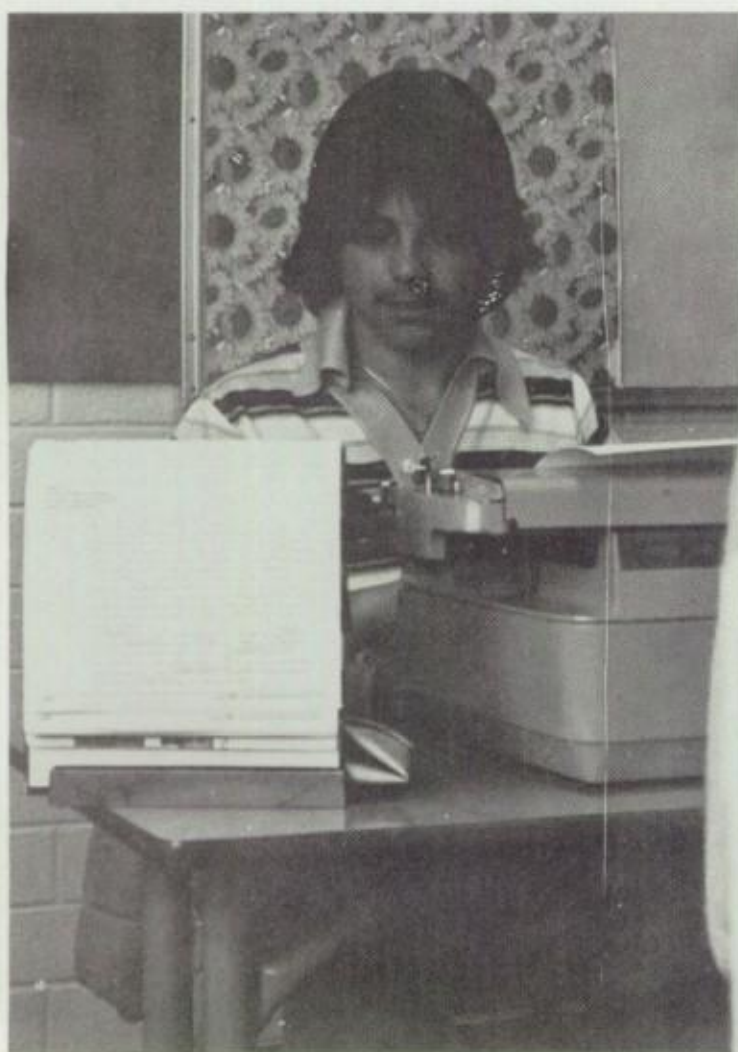

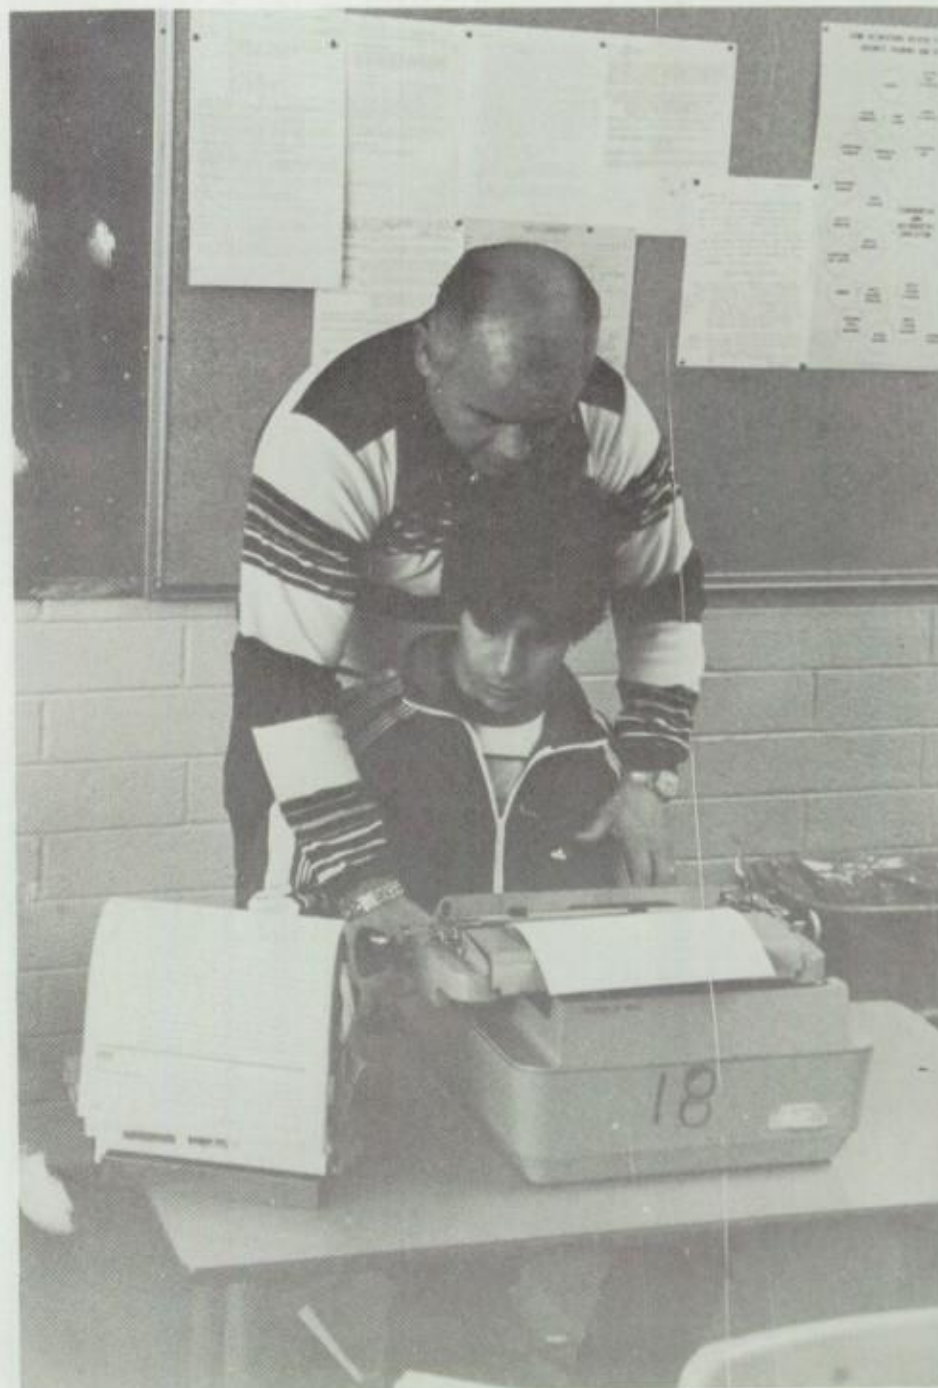

FOREIGN LANGUAGE DEPARTMENT

Parlez francais, pas anglais!

BUSINESS DEPARTMENT

The business education department offers classes in Typing, Consumer Ed., Business Law, and Accounting. These classes have a lot to offer Uni students. The many lessons and skills learned in the classroom can be put to practical use in school, the world of business and life in general.

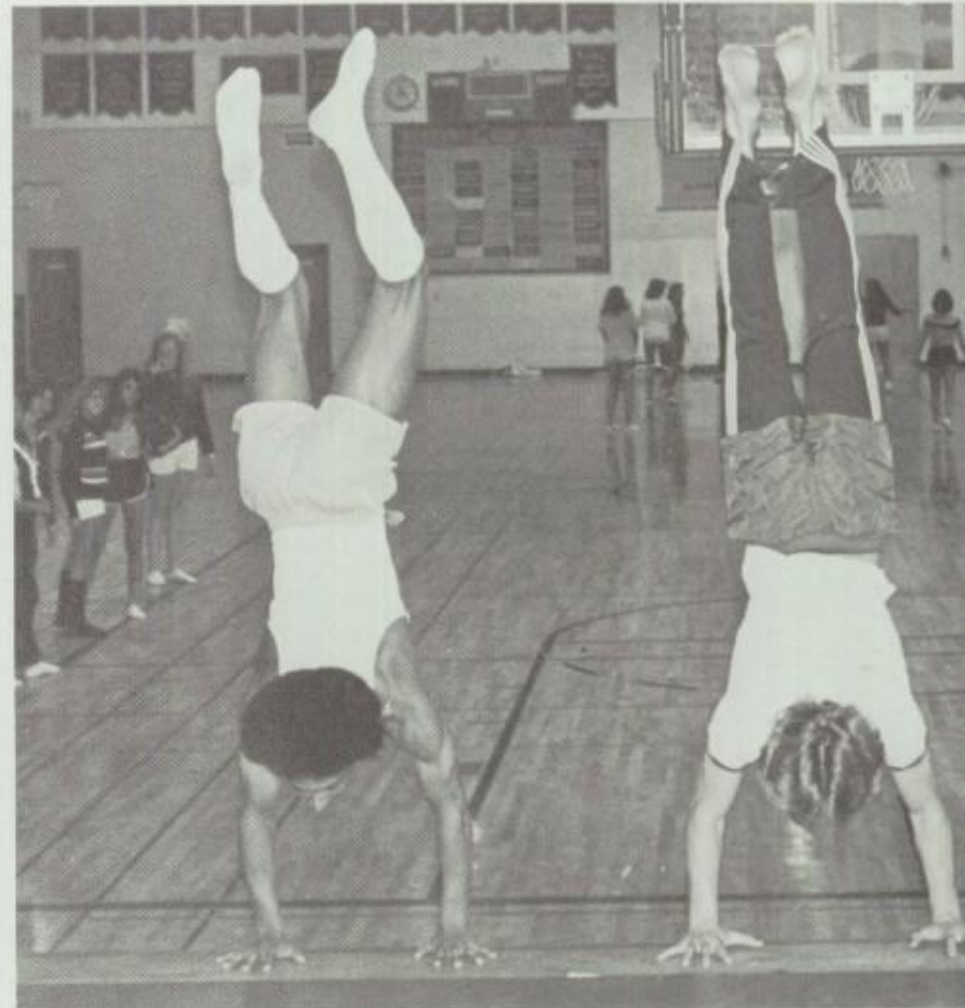

HOME ECONOMICS

Uni's home economics classes provided a warm, personal atmosphere in which students could polish up on their domestic talents. Under the direction of Mrs. Kassebaum students learned sewing and cooking skills along with the responsibilities of child raising.

Eggs act as surrogate children to child development students.

PHYSICAL EDUCATION DEPARTMENT

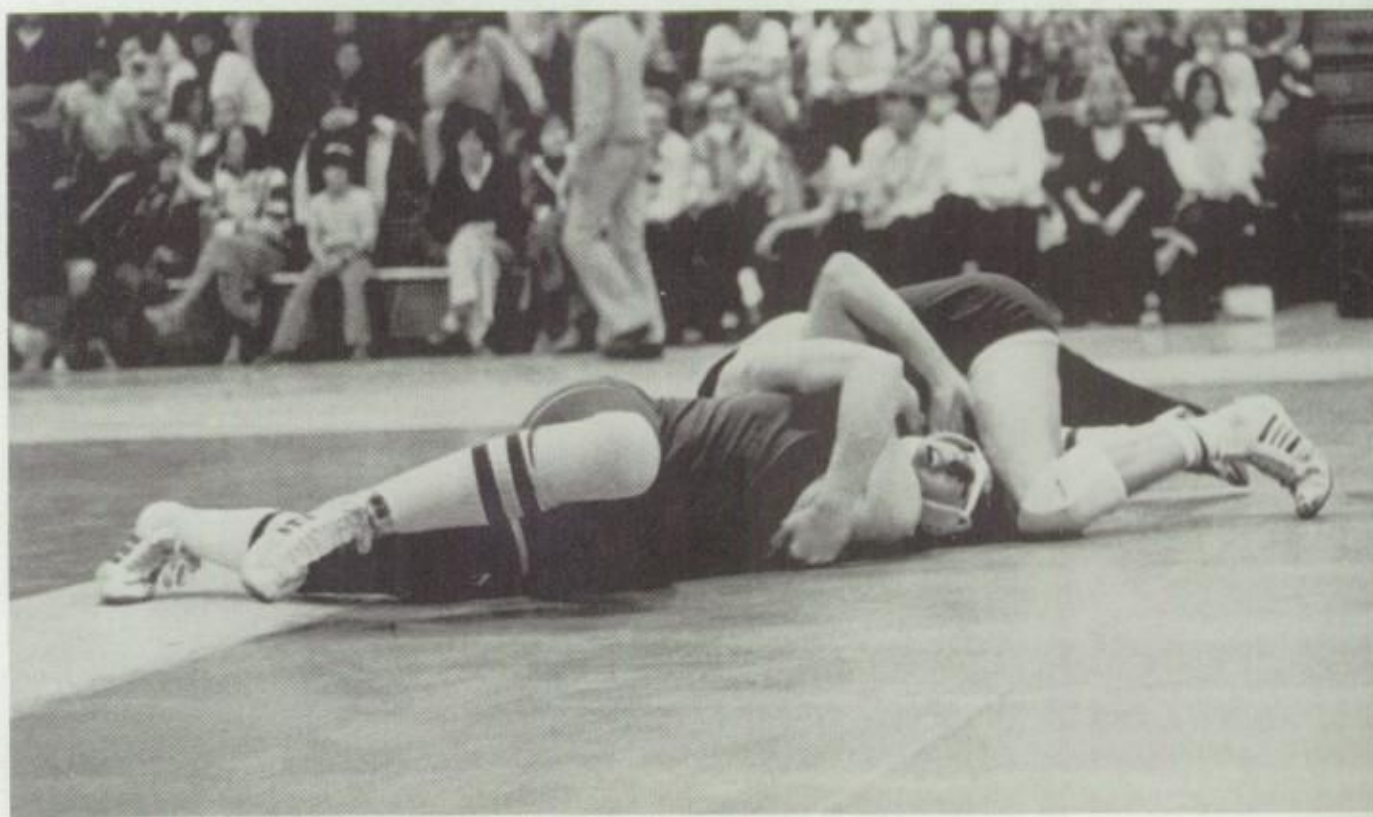

ARTS AND CRAFTS DEPARTMENT

To free imaginations, to express emotions, to capture ideas, to discipline techniques—this is creation, and creation is what Uni's Art Department is all about. Graphic design, sketching, and painting introduced basic skills to beginners. Now third year courses allow advanced students to explore further into their favorite fields of expression. Students also have the opportunity to try their hand at a wider variety of mediums. Best of all, the department stressed an atmosphere of casual relaxation, where ideas and true effort are matched.

Marty Hunter and Sean Doyle wrestle with Mission Bay Quarterback.

Mr. Ramos took over as this year's new Varsity head coach. He described the season as "disappointing," considering the fact that the Sentinel had predicted they would take the Western League Championship. The team's final standing was a three-way tie for second place with a 4-3 league record and a 4-5 overall. The squad's MVP was running and defensive back, Gary Ricking. Pat Connors and Rick Ballo won the defensive and offensive awards respectively. With a new experienced coaching staff and many good returning players, look out Western League for next year!

J.V. FOOTBALL: KICK, PASS, RUN, TOUCHDOWN!

With a strong defensive line, this year's J.V. Football team ended the season with a 4-2-1 record which placed them 3rd in the Western League. Coach Casciato was impressed their skills and feels there will be some strong additions to the Varsity team next year. Capturing the Most Improved title was David Redfield & Most Inspirational was Matt Hettenbach.

FRESHMEN LEARN FOOTBALL SKILLS

The Freshmen team's 0-6-1 record does not reflect the team's winning spirit. "We went into every game thinking we could win, but football is a game of breaks — we just got bad breaks," explained Mr. Marcus, the team coach. Much was accomplished not in terms of the win/lose column, but in terms in fulfilling the team's goals of instilling discipline, control, and the fundamentals of football in the relatively unexperienced squad. The team's MVP was Anthony McClendon who played many different positions and is, as his coach puts it, "a great athlete."

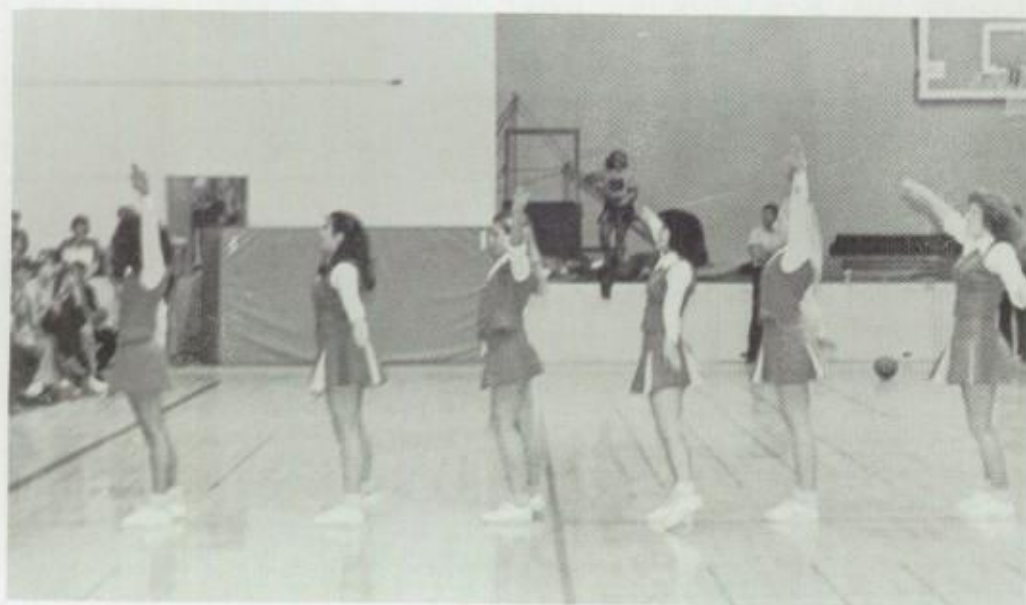

Top Row: David Croft, Dan Farney, Joe Dunne, Joe Martinez, Wayne Brown. Second Row: Jeff Babbitt, Steve Osmer, Steve Howell, Rafael Munoz, Joe Wainio, Mike Yong. JV CHEERLEADERS FORM A CHORUS LINE OF SPIRIT

Well . . . Uni's J.V. Cheerleaders are nothin' but the best! We're the ones that talk so loud, and wear the small, red vest! We try to look real sexy, we're faithful and we're proud. 'Cause we're rooting for the "Dons", and not some team that's cowed. You'll always see us there at the game shouting cheers our loud, trying to pep up the guys playing, and the ones up in the crowd. Yeah, we're a little rowdy, and some of us are modest; but Uni's J.V. Cheerleaders are the cuest and the hottest!!!

FROSH CHEER ON

Shout it gang, shout it loud!
Show them we've got spirit.

VOLLEYBALL QUALIFIES FOR C.I.F.

Third Year In A Row.

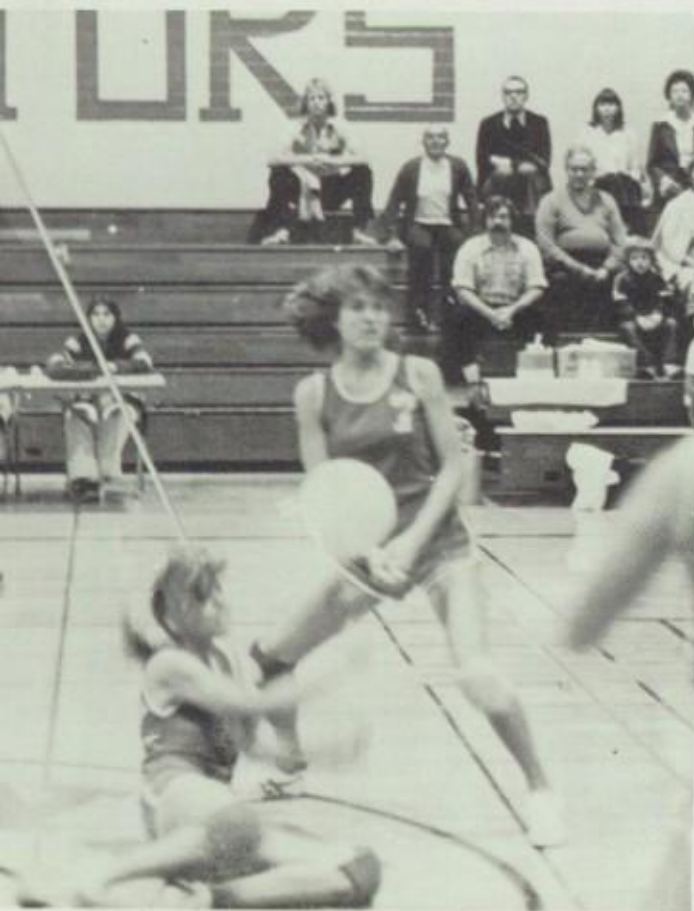

Teamwork was an important reason why the volleyball team took second place with a league record of 15-3. With the return of this year's junior players and the recruitment of players from this year's undefeated J.V. team, Uni can promise a very strong Varsity team for next year.

Top Row: Sr. Sara, Martha Lara, Cathy Rico, Patricia Cravo, Carla Everett, Janet Loos, Greg Witteman, Jeanne Berray, Theresa Fischer, Diane Duplessis, Jean Mullen, Suzie Kovac, Whitney Witteman.

VOLLEYBALL SPIKES AGAIN!

Under the instruction of Coaches Steve Altamirano and Karl Elam, the Junior Varsity team was undefeated in league play with a record of 18-0. Mr. A., despite a leg injury, was able to keep the team's spirit and efficiency up to championship quality.

BADMINTON TEAM SHOWS IMPROVEMENT

Moving in a forward direction, this year's Badminton team was ranked fourth in the Western League. The improvement, says Coach Prather, is due to key players working together. The Most Valuable Player title was shared this year between Valerie Schmidt and Nanette Butler. Lourdes Garay had the Most Improved title. Coach Prather is excited about next year's team because there is the possibility of it being co-ed. She is looking forward to the change.

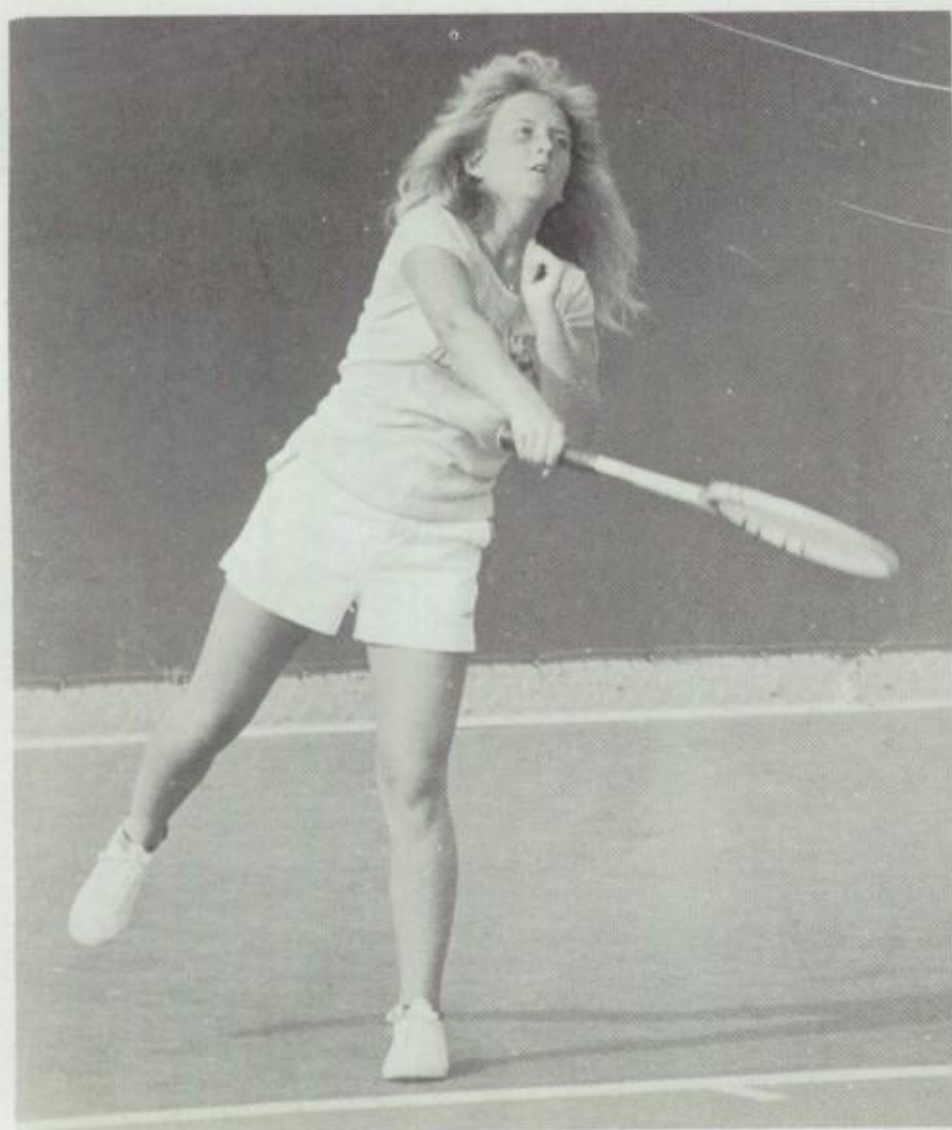

Front Row (l to r): Ann Nagy, Jeannie Perez, Kathy Stafford, Ingrid Innecken, Valerie Schmidt, Karen Hall. Second Row: Lourdes Garay, Rene Ognibene, Kathy Coil, Agnes Leon, Denise Miller. LOVES THEIR RACKET

Ready?

There it goes!

An integral part of any competitive team is learning and having fun. That's just what our girl's tennis team did this year, and though they ended the season with a record of 3-13, all the games were close. Sharing the title of Most Inspirational were Elaine Sebastian and Joan DeRyker. Tammy Redondo received the Most Valuable Player award. There were also several other leading players on the team. The top singles players were Tammy Redondo and Kris Struamjford. Karen Stock and Terri Rudolph were the leading doubles.

Since the majority of leading players will be graduating this year, next year's team will need determination and lots of work to develop more depth to the team and increase the skill level of their beginning players.

CROSS COUNTRY CAPTURES C.I.F. TITLE . . .

Mike Robbins crosses the finish line a winner.

The varsity Cross Country team went all out this year and captured the C.I.F. Championship for 1-A class schools. Leading the assault were seniors Mike Robbins, (first in C.I.F.) and Joe Sposato, (Most Inspirational). At the J.V. level, Cliff Inlow received the Winged Foot Award. The girl's team also put in a good showing with sophomore, Rosie Peragine, placing fourth in C.I.F. Char Price was voted Most Inspirational to the team. Coach Shelburne was pleased and added, "Winning makes it more fun, but it's really being with such a tremendous group of kids that makes coaching worth it."

Aqua-Dons

This year's team, under the guidance of coach Rick Kozlowski, placed third in league, with a record of 2-4. Norman Gross was voted Most Outstanding, Frank Reichert, Most Valuable, and Matt Brown, Most Inspirational players. Frank Reichert was also elected to first team All-Stars. Norman Gross and Chris Miske made second team, with Matt Brown and James Raggio receiving Honorable Mention.

Bottom Row: Jerry Stehly, James Raggio, David Ragsdale, Gery Gross. Top Row: Albert Larenriere, Frank Reichert, Norman Gross, Doug Boileau, John Raggio, Matt Brown. Not Pictured: Chris Miske.

No, the J.V. team did not win every game. They did, however, know which games to win. By the time the season ended, their record was 5-0 in league play, and they were the Western League Division Champions. Now that's how the game is played.

YOUTHFUL SWIM TEAM PLUNGES INTO SEASON

The Girl's Swim Team had a very successful and fun-filled season, with a 7-3 record even though they did not have ideal practice hours: 6:30-8:00 A.M. As the smallest team in the Western League, 23 swimmers, Uni girls earned a close third place against La Jolla and Mira Mesa. Outstanding team members were returning lettergirls Lisa Bedore, Mary Beth Allison, and Susie Martin, along with promising freshmen Kim Neeleman, Terry Pleva, and Lisa Asperin.

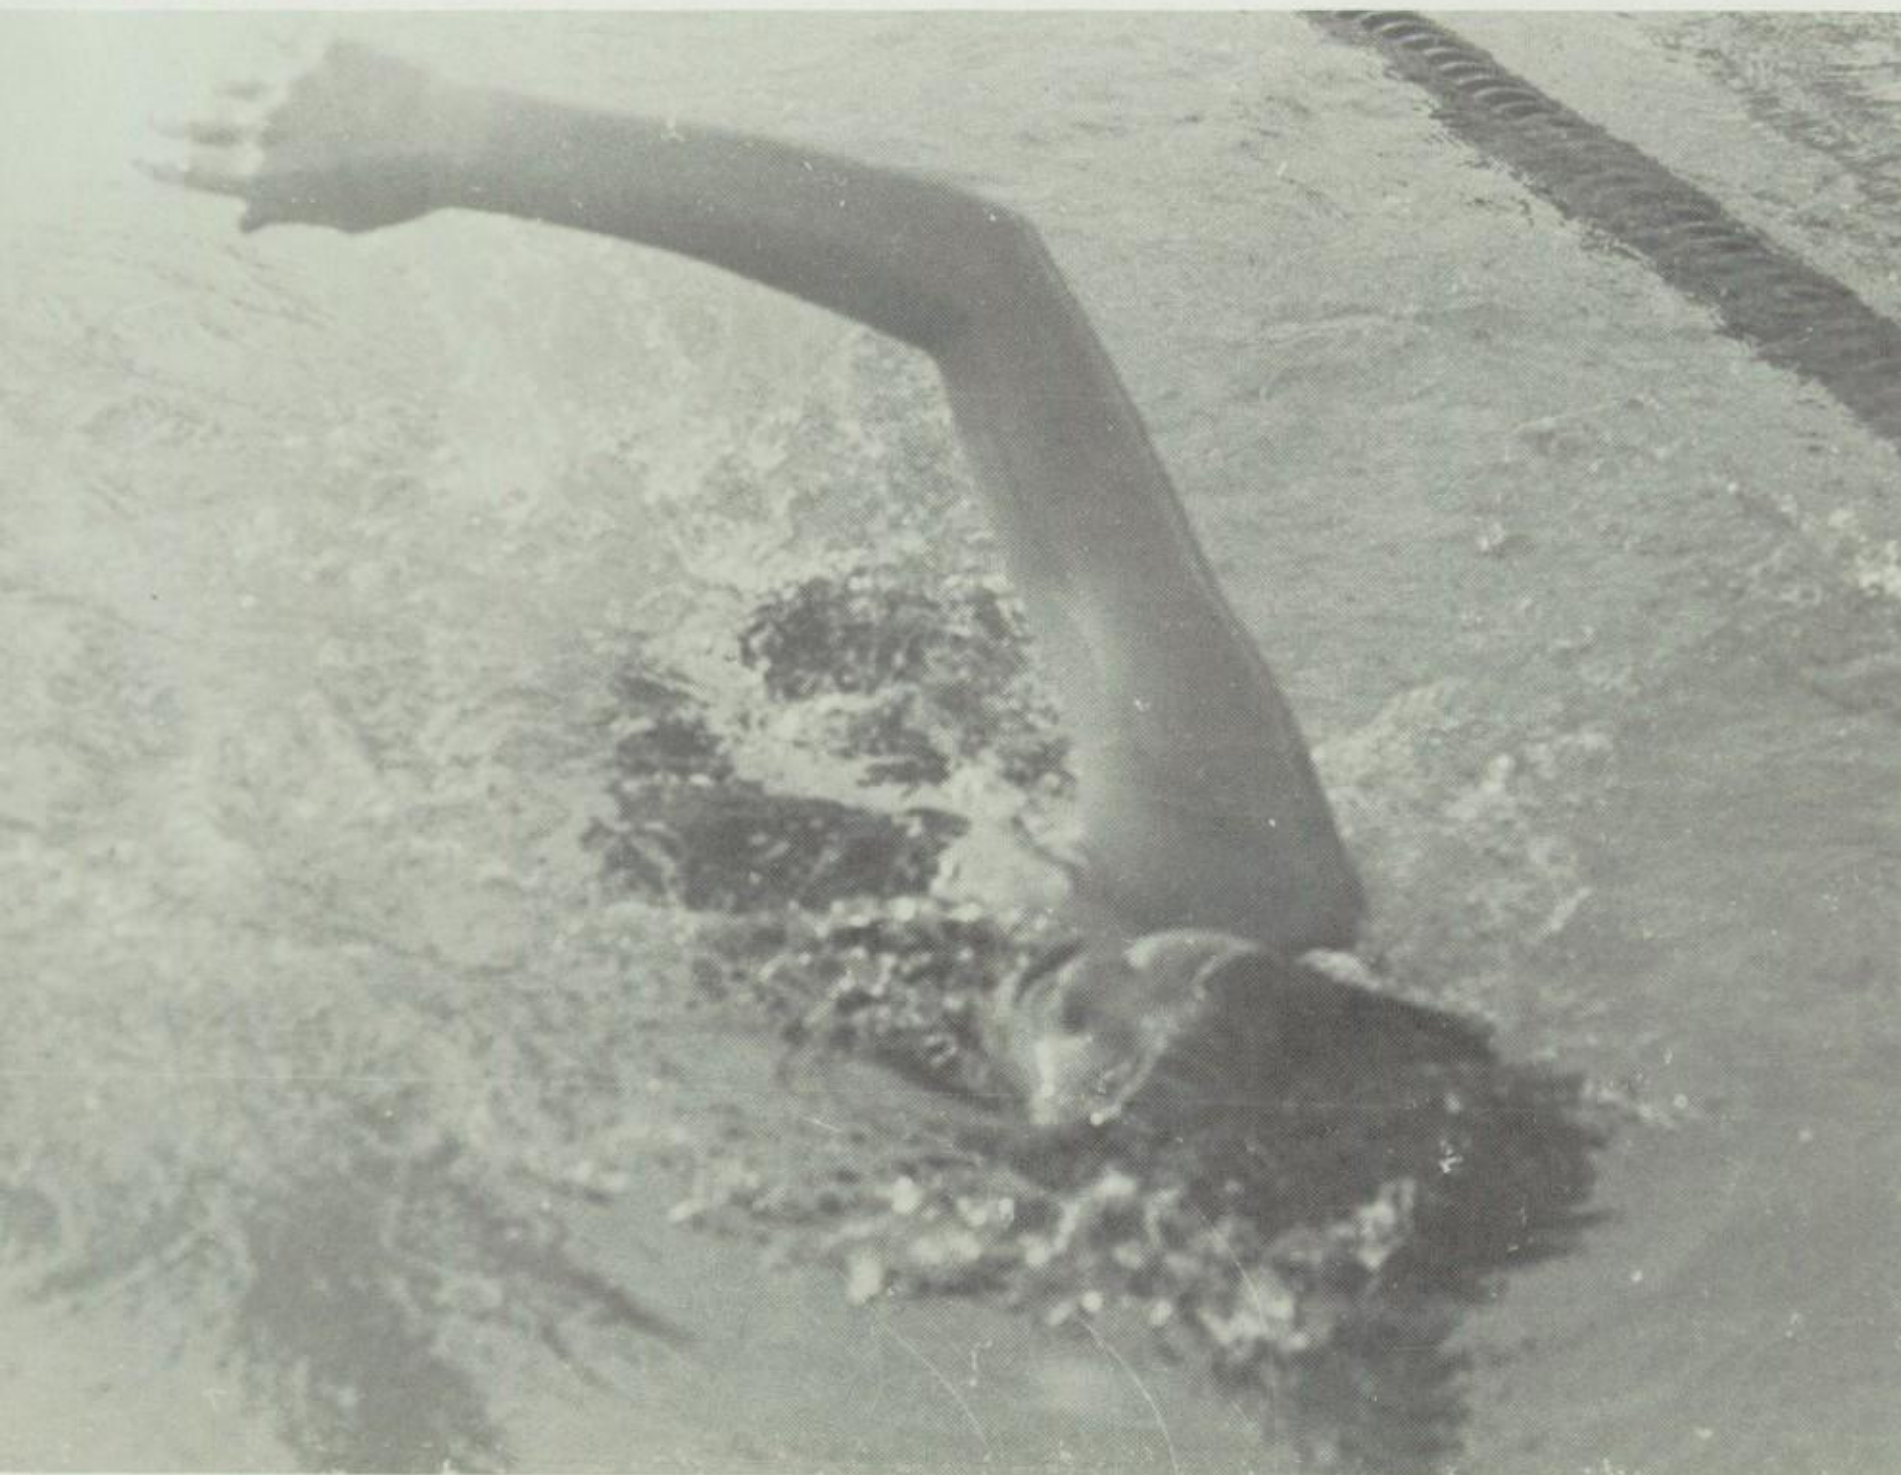

Front Row: Paula Krische, Lisa Bedore, Mary Beth Alison, Terri Pleva, Marcia Mullen, Suzanne Martin, Laurie Martinez, Kim Neeleman. 2nd Row: Theresa O'Flaherty, Julie Bedore, Gretchen Ames, Leslie McCoy, Mary Rice. 3rd Row: Coach Fenton, Erika Bekken, Arcelia Tapia, Lisa Asperin, Johanna Straunfjors, Karen White, Maura Fleming, Coach Velmann.

As a finale to a successful season, Wayne Napier was voted Western League Coach of the Year.

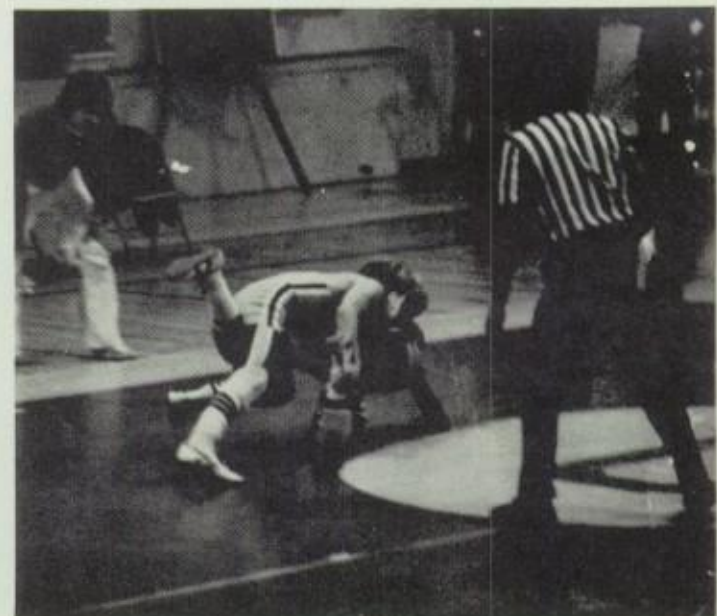

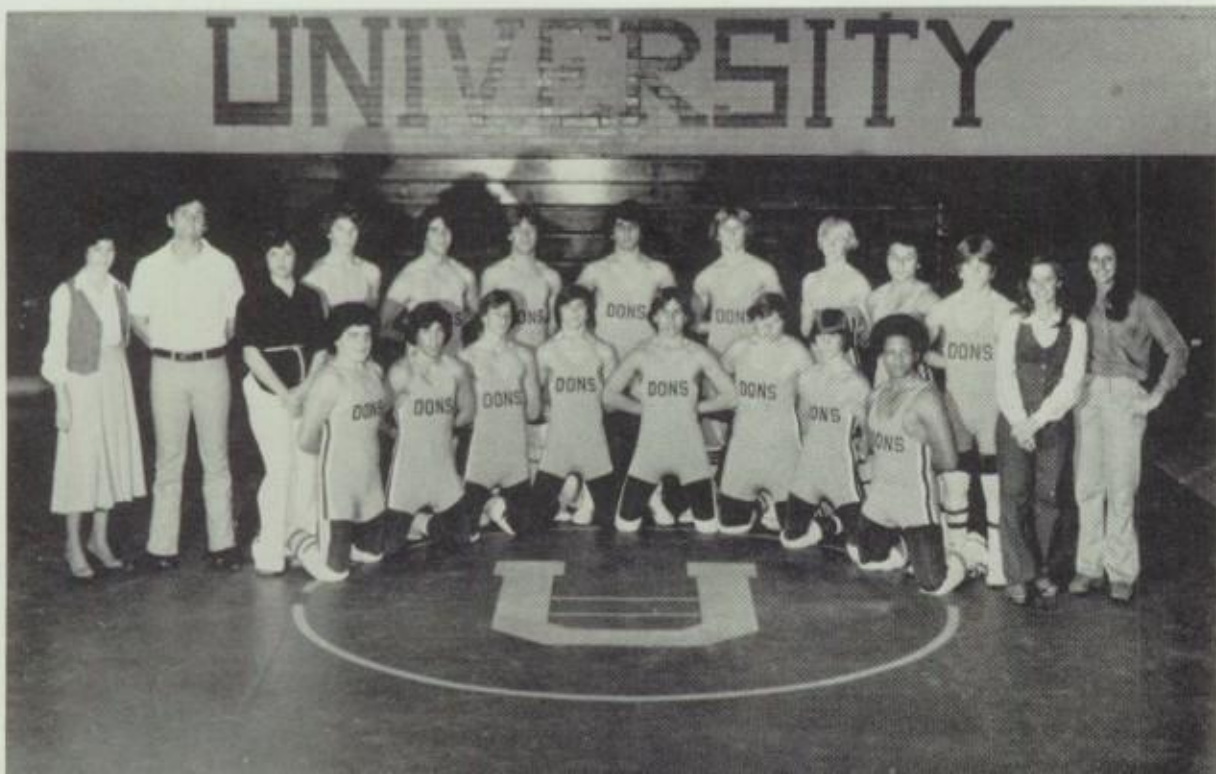

J.V. WRESTLING PINS ANOTHER WIN

The J.V. also clinched the Western title for the third consecutive year. Coach Napier, who was voted Coach of the Year, led the team to several tournament victories. Ten wrestlers qualified for the CIF regional tournament. Two of those wrestlers, seniors John Brause and Greg Williams, took 1st in their weight classes and advanced to the State Tournament in San Jose. The team placed 6th overall at CIF as a finale to a highly successful season.

The team played well all season under the leadership of Coach Jacobacci. Fernando Arangueren was selected First team Western League. The Varsity Softball team, coached by Ms. Mauro had an exceptional season with a 16-3 record. The team did not lose a home game all season. Their team-work along with their spirit led them to a second place in the Western League. Throughout the year, the girls were kept in suspense by a "secret friend". Another member of the team was assigned to them and surprised them with gifts from time to time. This made the girls feel they had support and drew them closer together. BOYS TRACK AND FIELD ARE BETTER THAN EVER

This years track team has more potential than the last four years ever had, even without proper facilities. Coach Marcus is looking forward to a good season and a "well balanced, very competitive team." Some names to look out for this year are: Tony McClendon in the long jump; Joe Lozano in the discus; and Gary Rickling in sprints and pole vault. All in all the season looks good.

Jim Connors and Shawn Hart seem to float over the 3' 3" hurdles. But it's not as easy as it looks!

Joe Lozano puts his all into hefting that 12lb. shot put up to more than 40ft.

GIRL'S TRACK TRACKS ON AND ON AND . . .

This year's J. V. and Varsity Girl's Track teams are really cooking. Last year, the girls were developing and building their strength, but Coaches Shelburne and Marcus feel that we've now got a team to be reckoned with. We've got some fine athletes who'll prove to be fierce competition from now on.

Eve Selis, last year's champion long jumper, shows even more promise this year

Monica practices for the quickest start in the sprints.

GOLF TEAM: IN THE SWING OF THINGS

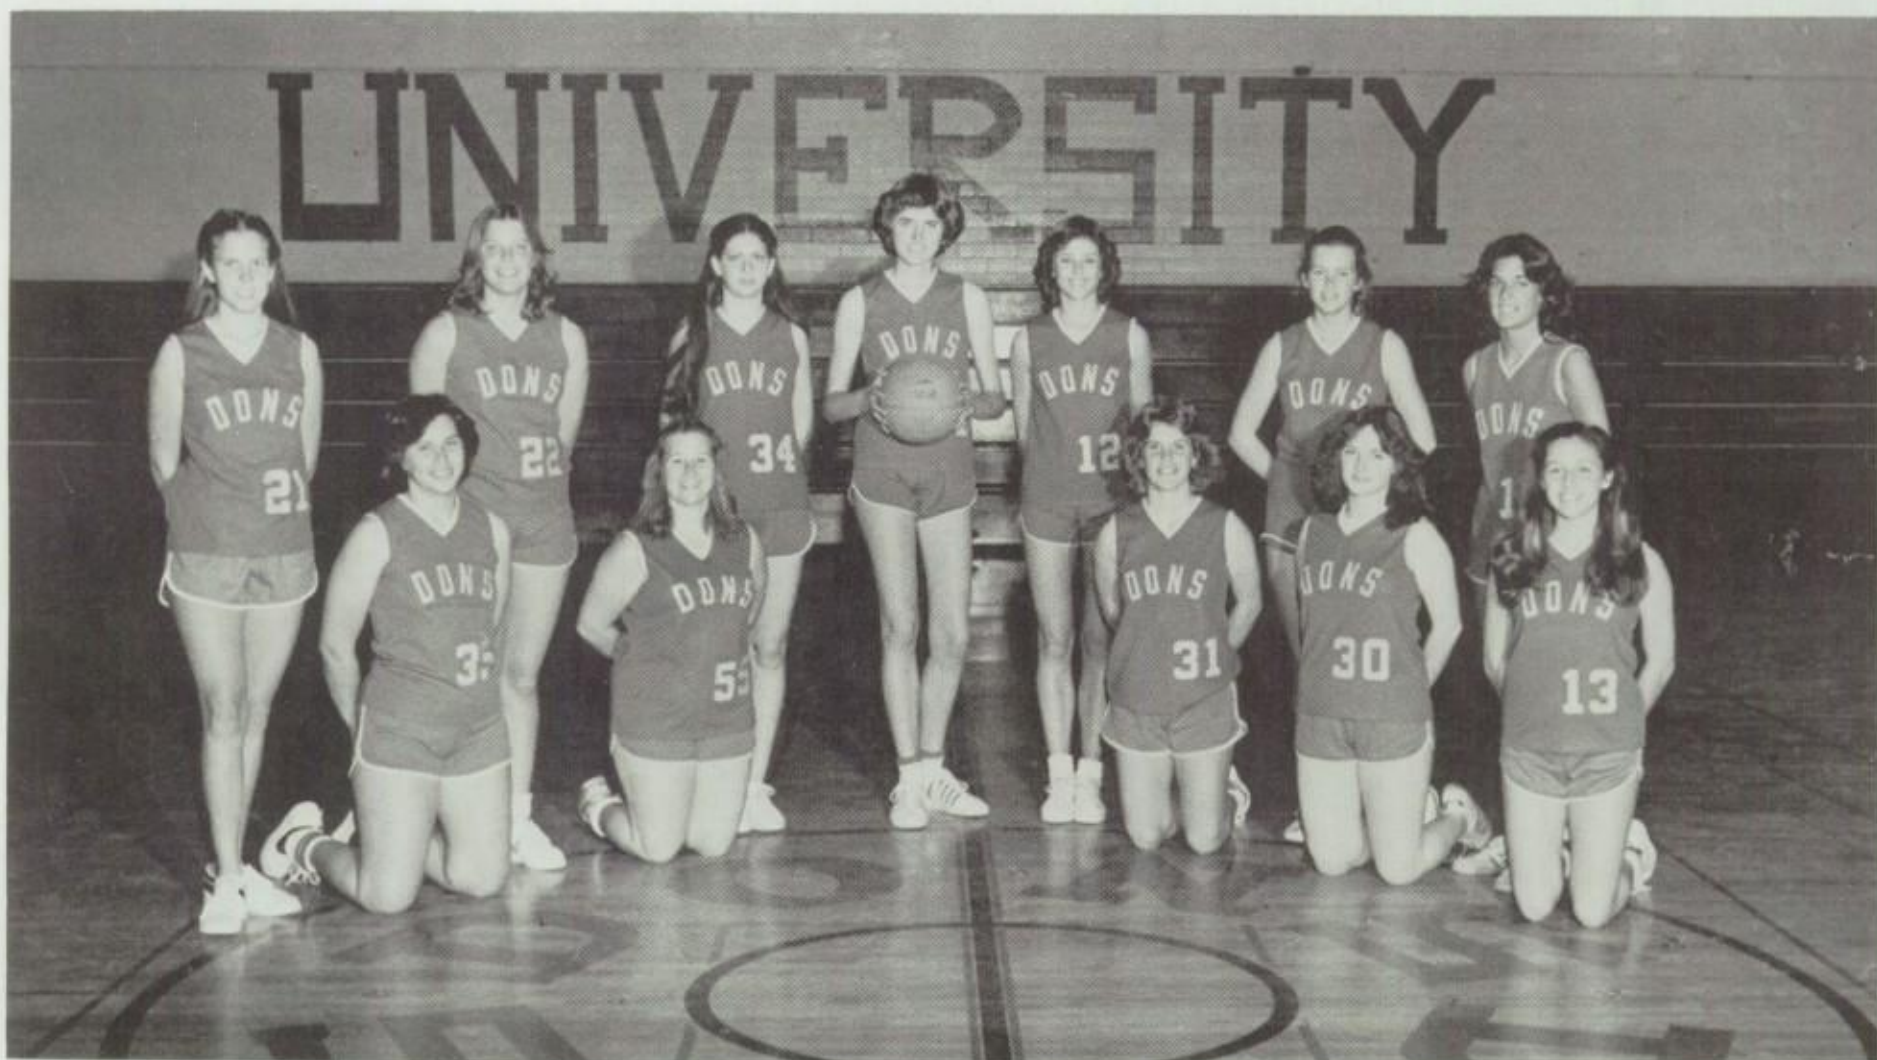

Golf is a sport that everyone can enjoy, and our Uni team goes at it "full Swing". The team is comprised of ten players, six players per match, who practice twice a week. Coach Thoennes feels that they have improved greatly since last spring and is certain that the improvements will continue in the future. At the end of last season, Uniwas tied for third place in the Western league. Thoennes looks ahead with even higher goals this year.

Standing (l to r): Coach Thoennes, David Jannone, Richard Hernandez, Gary Reglado. Kneeling (l to r): Frank Driscoll, Peter Abraham, John Morris, Perry Reglado. Not Pictured: Bob Sciacqua, John Diamond.

GIRL'S J.V. BASKETBALL SHOOTS FOR TWO

This year's J.V. team is comprised of almost all freshmen. Despite their youth, they are a strong team that is really working. Under the inspirational coaching of Ms. Mauro, they should have a great season.

Standing L to R: Sue Purcell, Chris Reilly, Shelley McKeone, Sue Chelsa, Mary Whelan. Kneeling: Barb Steffen, Lewis Davis, Ann Nichols, Heidi Booream, Front: Maria Mello.

Louis,

Will its be a blast this year, wasn't Mr. Draxel's class the greatest!!! at least Mr. Dineen's class was a little better! You're really a sweet guy so stay that way! Its been a blast this year, but next year will be even better! Have a fun summer & see ya around!

The trials and tests of the underclass years have dried up and blown away.

Replaced by a confidence new and strong that is seemingly here to stay.

With the upcoming events of the school year our days are filled with fun.

But the thought remains with everyone there are bookloads of work to be done.

But we're strong of spirit, strong of heart, each and everyone. We will take all the challenges that come our way, and be able to say we won!

Not too big, not too small,
Just in between, not special at all.
Knowing some things, forgetting others,
Getting rides home with mothers and brothers.
Being a sophomore is sometimes a bore.
Things we do, seem as if we've done them before.
See the freshmen getting lost,
But don't help them whatever the cost!
We've all been through the teasing before
And really don't care for any more.
New experiences lie not far ahead
(Watch that traffic light, it's turning red!).
When we can drive it will be great,
And for senior year, we can hardly wait!
But sophomore year isn't all that bad,
Just think of all the fun we've had!

Sophomores, what advice do you have for the Freshmen? "Get involved in the school and try to get good grades." "Don't sit on the Senior Stairs if you know what is good for you." "Get rid of all your hard classes." "Don't act dumb." "Stay cool." "Say you're a sophomore." "Be yourself." "Take it easy, do all your homework, and eat your vegetables."

Dr. Willard Cratchlieu, famed mad scientist, fascinated Uni students when he spoke here on October 31, 1978.

"Here birdie, birdie!"

SCHOOL FOR A FRESHMAN

The faces are unfamiliar,
The schedule equally baffling,
And, though you may survive 'til the end of the day,
You'll seldom end up laughing.

The school is a maze of halls and doors
And the courses are stiff and hard.
The juniors and seniors taunt and tease
And seldom take your part.

Amid the turmoil, crowd, and noise,
Your locker must be opened.
But once your locker combo's learned
The complaints are left unspoken.

F block is getting steadily boring,
The teacher drones on and on.
You glance at the clock, the final bell rings,
Your day at school is done.

What are Freshmen going to contribute to Uni? "A long and torturous memory of me." "Myself." "Nothing." "My best behavior." "I don't know yet."

"Day 5 is Friday unless we drop on Monday which makes Day 2 Wednesday instead of Tuesday...so what the heck is my next class?"

What you have to attempt-to be yourself. What you have to pray for-to become a mirror in which, according to the degree of purity of heart you have attained, the greatness of life will be reflected.
